CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The 2018-2019 Annual Action Plan described in detail the housing and non-housing needs of the area, market conditions based on the best data available at the time and set forth strategies that established priorities for meeting the needs identified. Additionally, the Plan outlined resources anticipated to be available to address priority areas of need and established an Annual Action Plan that identified the intended uses of resources. During the past year, 2018-2019, the City used federal entitlement funds along with State funds to provide low-to-moderate income citizens with resources to address a wide range of unique community development needs. The City of Goldsboro completed many of its strategic community goals in program year 2018-2019. In areas, where goals were not fully completed the City has developed plans to address those areas to utilize in the upcoming fiscal year. For example, due to the restrictive use of funds placed on the HOME program to focus on projects and/or activities designed exclusively to create affordable housing for low-income households, the City has historically each year carried over a substantial amount of prior years' HOME funds when it has not undertaken large development and/or numerous homebuyer assistance projects.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The City of Goldsboro focused the majority of its CDBG funds to leverage State funds to support safe affordable housing, a suitable living environment, and economic opportunities. The public service program supported by the City also help provide resources to the community to help them thrive and succeed.

This 2018-2019 CAPER summarizes the City's achievements in meeting the objectives set forth in 2018-2019 Annual Action Plan. It covers the period July 1, 2018 through June 30, 2019.

Narrative

In a effort to development viable urban communities, provide decent affordable housing, suitable living environment, and expanding economic opportunities to low-to-moderate income (LMI) households the City's CDBG and HOME funds was directed to assist LMI residents citywide. This strategy enable the City to geographically disburse CDBG and HOME funds to census tracts and block groups, where the low-to-moderate income (LMI) households is 51% or more of the Area Median Income (AMI) and is minority concentrated.

However, eligible persons from all racial, ethnic, and gender groups are given the opportunity to apply and receive funding if their households' earnings meet eligibility criteria for the City's CDBG and HOME- funded projects. The City's community development funds are utilized to help citizens throughout the City. There are many residents that benefit from community development activities that are not accounted for in the table above, however the table does reflect our focus of low-to-moderate income (LMI) households, which trend towards a majority African American population. As the Hispanic population grows within the City, we would expect to see some additional Hispanic families served through community development funds.

Narrative

All Community Development funds received by the City of Goldsboro were used on eligible housing and non-housing community development activities within the City limits of Goldsboro and primarily benefit the low-to-moderated income citizens of this area. Goldsboro's housing and non-housing programs are Citywide; however, we are concentrating our efforts on areas needing to receive a very high priority for revitalization and the rehabilitation of housing occupied by elderly and special needs individuals. The 2018 census data shows that **43%** of the population within the city limits has been identified as low-to-moderate-income residents (households earning 80% or less than of the Area Median Income of **\$57,100**. The City's Low/Mod benefit this reporting period was **100%**.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

Private financial institutions and lenders, within the area, continue to support the City's affordable housing initiatives by making available advantageous mortgage programs that assist low-to-moderate income residents to become first-time homebuyers. The needs of the City of Goldsboro's residents are greater than its resources. The City does make an effort to seek other sources of funding for its community development efforts and was recently awarded Urgent Repair funds for FY 2018-19 from the North Carolina Housing Finance Agency which allowed us to assist many more homeowners. All of the agencies receiving funds for public service activities receive the vast majority of their funding from other sources, thereby leveraging funds received by the City.

This combined effort and collaboration increased the scope of our community development for eligible housing and non-housing community development activities within the City limits of Goldsboro and primarily benefit the low-to-moderated income citizens of this area. The City was granted 100% HOME Match Reduction; therefore, the City was not required to provide local matching funds for FY18 HOME allocation.

Table 12 – Number of Households Supported**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The City of Goldsboro was able to complete many of its strategic community goals and objectives planned for the 2018-2019 program year and for the 2015-2020 Consolidated Plan reporting period; all activities were consistent with the Consolidated Plan. The City will continue in its efforts to address the needs of low-to-moderate income citizens. The City will also continue to look for ways to improve its progress, seek additional resources, and work closely with agencies in the community who share the City's commitment to housing and rebuilding our communities.

Discuss how these outcomes will impact future annual action plans.

The lack of adequate housing dollars continues to impact future action plans in the form of a reduction in the number of clients that can be assisted. Consistent reductions in funding from year to year continue to be a challenge due to this lack of availability of funds and the increased demand/competitiveness of grant applications. However, the City of Goldsboro have been successful in working with private financial institutions and lenders, within the area, continue to support the City's affordable housing initiatives by making available advantageous mortgage programs that assist low-to-moderate income residents to become first-time homebuyers in some cases. Although, the City has seen that underwriting requirements for some lenders are posing a issue for LMI residents seeking mortgage loans. This has been an good source for leverage additional funding to support the local program needs. The City will continue to focus funding sources primarily

to support the Homebuyer Assistance Program (HBA), the Urgent Repair Program, and public services provided by community based organization and/or nonprofits. Additional funding as needed will be sought from other available sources.

Due to the restrictive use of funds placed on the HOME program to focus on projects and/or activities designed exclusively to create affordable housing for low-income households, the City has historically each year carried over a substantial amount of prior years' HOME funds when it has not undertaken large development and/or numerous homebuyer assistance projects. In FY19-20 the City plans on utilizing its excess of HOME funds towards a Public-Private Partnership (P3s) along with CDBG- DR and NCHFA Tax Credits to construct a 60-unit multifamily project to add to the City's extremely shortage of affordable housing stock.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Eastpointe LME is the lead agency for the Continuum of Care, the Down East Coalition to Eliminate Homelessness, and services the Goldsboro/Wayne county area as well as Lenoir, Sampson, and Duplin counties. Since 2010, the City has been an active member of the Continuum of Care Task Force, a coalition of homeless service providers, shelters, and Faith-based organizations to develop a meaningful Continuum of Care plan to reduce homelessness. Each year, since 2007 the Coalition has applied and utilized Shelter Plus Care (SPC) rental assistance program, a tenant-based rental assistance program for homeless individuals and families with disabilities, HIV/AIDS, and substance abuse problems.

In FY 2018-2019, the City of Goldsboro funded \$ **40,495** to WAGES Homeless Project Initiative Program to combat poverty and to decrease homelessness in Goldsboro. The program provides temporary and stable housing, gas vouchers, bus tickets, toiletries, payment of continuing education courses and etc.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Goldsboro does not receive ESG funds. The CoC receives funds through the Continuum of Care (CoC), the Down East Coalition to Eliminate Homelessness (Eastpointe) which develops allocations, administers HMIS, provides technical assistance to participating agencies and housing providers, and monitors grantee performance. Through its work with the Continuum of Care, the Community Relations Department has a strong understanding of the needs of homeless and at-risk/imminently homeless families; and works to research additional resources for the housing or provision of services to chronically homeless individuals and families, families with children, veterans and unaccompanied youth.

As previously stated, as the City of Goldsboro effort to assist with the emergency shelter and transitional housing needs of homeless persons the City funded \$ **40,495** to WAGES Homeless Project Initiative Program to combat poverty and to decrease homelessness in Goldsboro. It should be noted that the amount awarded to WAGES Homeless Project Initiative Program also included emergency activities for persons displaced due to Hurricane Florence.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The Salvation Army, a Coalition member, was awarded in this reporting period \$25,000 of Emergency Solution Grant for street outreach, emergency shelter, homelessness prevention, rapid re-housing assistance, and homeless management information systems.

The City of Goldsboro has several homeless shelters and these shelters provide primary information and data on the City's homeless population. In addition to maintaining ongoing records of homeless data, the shelters also participate in the "point in time" surveys. Persons with HIV/AIDS in Goldsboro are referred to the Wayne County Health Department for follow up. The Wayne County Health Department refers HIV/AIDS clients to private medical providers in Wayne County or to the infectious disease clinic at the East Carolina School of Medicine. Currently in Wayne County, Community Links Inc. provides HIV case management that includes education counseling, emergency housing and medication assistance. The Wayne County Health Department's HIV/AIDS task force works in partnership with the NC HIV/STD Prevention and Care Branch and the East Carolina HIV/AIDS Partnership (ECHAP) to ensure that assistance to community based organizations and those affected and infected are aware of available training, education, testing, and financial assistance to prevent the spread of HIV/AIDS. There are currently no designated units for persons with HIV/AIDS in Goldsboro.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Numerous community-based agencies provide ongoing services to homeless persons and families and those nearing homelessness. These include the Wayne Uplift Resources Association, Churches in Action, the Last Resort Mission, United Church Ministries, Wayne Action Group of Economic Solvency (WAGES), W.A.T.C.H., Wayne Community College Literacy Department, Wayne Memorial Hospital, and Community Soup Kitchen. Each of these agencies is part of a network to help homeless persons through their crisis situations and move onto permanent housing, employment and healthy living situations.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

It should be noted that the City of Goldsboro does not manage public housing units; however, a large portion of the County's inventory is located within the City limits. The City has two public housing agencies responsible for this function: Goldsboro Housing Authority and Eastern Carolina Regional Housing Authority. Both public housing authorities received funding for their housing activities, projects, and funds to modernize and repair their public housing units.

Public Housing tenants were given information on landlord /tenant rights, the City's Homebuyer Assistance program, and invited to all of the City's Fair Housing workshops. The City worked with employees and residents of the Goldsboro Housing Authority and the Eastern Carolina Regional Housing Authority to increase homeownership opportunities for the residents of public housing. Many residents apply for assistance, but due to credit issues, their loans are not approved. For this reason, the Community Relations Department assisted residents/applicants in locating agencies that were available for financial management and counseling as well as providing some counseling in our office.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

Goldsboro Housing Authority and Eastern Carolina Regional Housing Authority are committed to continuing the Family Self-Sufficiency (FSS) Programs for their public housing and Section 8 House Choice Voucher clients. The FSS program assists housing residents to attain financial independence through education and employment toward increased resident involvement. The FSS Program serves as a clearinghouse for referrals to other agencies and private resources for participating families. The Goldsboro Housing Authority also receives Resident Opportunities and Self-Sufficiency (ROSS) Program funding to provide supportive services for elderly and disabled public housing residents, to improve their independence.

The City of Goldsboro actively encouraged the cooperation of regional and local public and private agencies/parties by providing resources, technical assistance, and venues through which the exchange of ideas promoted positive community outcomes. In continuing this ongoing effort, the City adopted the following initiatives for which the City will coordinate and optimize the efforts of the public housing authorities that participated in the implementation of the City's five-year strategy and/or Annual Action Plan:

The City will support the efforts of the Authorities in maintaining the integrity of the public housing inventory to provide safe, decent, and affordable housing opportunities for qualifying residents. The City will provide technical assistance to the public housing authorities that apply for grants to continue rental assistance programs that provide decent affordable housing opportunities for the City's low-income residents.

Actions taken to provide assistance to troubled PHAs

Neither Goldsboro Housing Authority or Eastern Carolina Regional Housing Authority have been designated as "troubled PHAs". In fact Goldsboro Housing Authority has been award several grants through HUD (i.e., Job Plus).

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The staff within the Planning Department has conducted a review of all relevant land use controls, zoning ordinances, building codes, and related fees and charges to identify and address any that may be considered barriers to affordable housing. None of these items appeared to be barriers to affordable housing.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The primary obstacle to meeting underserved needs is attributed to a lack of adequate housing dollars. The second obstacle is the continued complexity of available housing programs which are difficult to combine and/or administer. The funding issue will continue to be a problem due to this lack of availability of funds and the increased demand/competitiveness of grant applications. However, the City of Goldsboro have been successful in working with private financial institutions and lenders, within the area, continue to support the

City's affordable housing initiatives by making available advantageous mortgage programs that assist low-to-moderate income residents to become first-time homebuyers, in some cases. This has been an good source for leverage additional funding to support the local program needs. Although, the City has seen that underwriting requirements for some lenders are posing a issue for LMI residents seeking mortgage loans. The City continued to focus funding sources primarily to support the Homebuyer Assistance Program (HBA), the Urgent Repair Program, and public services provided by community based organization and/or nonprofits. Additional funding as needed will be sought from other available sources.

The City of Goldsboro petitions for federal funds through the Action Plan to assist the needs of residents that have traditionally been underserved by existing local social service programs. The activities funded via the Action Plan were carefully designed to provide appropriate and needed community development services, particularly to include but was not limited to include senior citizens, homebound frail elderly persons, physically and developmentally disabled persons, victims of domestic violence, and infants and youth. Funds provided through the Action Plan often make the difference between independent living and institutionalization.

An obstacle that is tied to the complexity of combining programs is the inability for the City to provide assistance to Homeowners who needed repair of a single element as the result of an urgent situation rather than rehabilitation of the entire structure. The City utilized the Urgent Repair Program to assist homeowners in addressing urgent repair concerns quickly that might otherwise take longer to complete due to the extensive waiting list the City maintains for the existing assistance programs. The Urgent Repair Program allowed the City to repair elements such as roofs, windows, doors, etc of homes that are eligible for assistance under the Homeowner Rehab Program.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

Consequently, all housing rehabilitation activities are performed in conjunction with the hazardous material activity; which focus on lead-based paint and asbestos abatement. During the course of most housing rehabilitation activities, it is likely that paint surfaces and/or asbestos containing material will be disturbed. The City conforms to federal and state mandates established for HUD funded programs, including Housing Rehabilitation Program; to incorporate lead-based paint and asbestos hazard evaluation, remediation/reduction strategies and clearance requirements for all housing structures built before 1978. Therefore, to reduce the potential for adverse health effects attributable to the rehabilitation of deteriorated lead-based paint and asbestos containing material surfaces, the City provides educational material to all rehab customers. In addition, the City provides lead-based paint and asbestos inspections, risk assessments, abatement, and clearance in conjunction with housing rehabilitation activities. Project Managers, who oversee housing rehabilitation projects, are trained to incorporate proper hazard reduction techniques into the treatment of lead-based paint and asbestos containing material. This activity is designed to assist low-to-moderate-income (LMI) households, as defined by HUD.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City of Goldsboro has undertaken a number of efforts and programs to reduce the number of residents living in poverty. Jointly the Community Relations Department, the Down East Coalition (Eastpointe), and other Community-Based Organizations (CBO) have put into practice a partnership strategically designed to support a holistic approach to poverty reduction with activities that focus on human services, affordable housing, and economic development. These activities include the following:

- Support economic development activities that generate living wage jobs and community sustainability;
- Access to a variety of housing options that promote family and community stability;
- A comprehensive financial education system that prepares citizens for participation in the economic and social fabric of the community, which will be provided by Consumer Credit Counseling Service (CCCS);
- Support and coordinate with organizations that provide community-based services that nurture and support young people and their families. As well as, organizations that provide enrichment programs designed to develop individuals' coping skill for productive adult living.

Several of the welfare-to-work programs and job training programs offered locally are also designed to assist in reducing the number of poverty level families by providing educational and life skills necessary to survive in today's workforce. These efforts will incrementally assist in the reduction of number of the poverty level families through the provision of housing, and community and support services.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City of Goldsboro and other community development and housing organizations have achieved institutional structure through their commitment to community involvement and continued support. Most of the community development and housing initiative programs are administered through the Community Development Division of Community Relations Department. Housing these programs within one organization minimizes competitiveness for state and federal funding within the community which is often present in other communities. This also allows for continued institutional knowledge with respect to successful means and tactics in the preparation and administration of grants and grant applications.

The City of Goldsboro and community based and/or non-profits have jointly formed many committees in recent years to ensure the continued success and growth of the community as a whole. Through these collaborative efforts, an emphasis is placed on the needs of the community while avoiding duplicated efforts by the individual entities. These collaborative efforts have proven to be successful and the City will continue to strive for improved institutional structure.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City was committed to focusing efforts to ensure the coordination of stakeholders and continual improvements to the programmatic delivery system. The City continued to look for ways to enhance coordination in the implementation of the Consolidated Plan through its established partnerships with the Community Relations Department, public forums and inter-departmental discussions (i.e., citizens, City Council, non-profit organizations, Planning Department, Community Development Organizations (CBO), Community Housing Development Organizations (CHDO), and Faith-based Organizations (FBO)). The City also

utilized the Commission on Community Relations and Development, Loan Review Committee, and Continuum of Care Housing Support Committee and a variety of additional local agencies.

The coordination process provided for stakeholder agencies and all interested parties to analyze and discuss local housing needs, priorities, and program strategies. The City's overall strategy allow for:

- clear and expressive public leadership for the identified initiatives;
- Fortify the partnering and collaboration of local government agencies, private organizations, and not-for-profits to increase leveraging potential;
- Publicly marketing the City's assets and aggressively leverage other financial support;
- Working with developers to achieve acceptable environmental standards while not compromising the health and safety of the public

The City continued to work with the Continuum of Care, Down East Coalition to promote a communitywide commitment to the goal of ending homelessness; to seek out funding for efforts that seek to address homelessness in Goldsboro; to support methods to assist in the rehousing of homeless individuals.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

This reporting period the City took the following actions:

- Distribute information regarding affordable housing to residents of the public housing and high-concentration of low-to-moderated residents.
- Provide information regarding affordable housing on the City's website.
- Continuing to provide assistance to clients through the City's Urgent Repair Program, CHDO Activities, and Homebuyer Assistance Program (HBA).
- Continuing to build on existing programming and add additional needed programming as funding becomes available.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The City of Goldsboro is responsible for ensuring that all funds under its oversight are utilized in accordance with all program requirements and for determining the adequacy of the subrecipients/project sponsor's ("subrecipient") performance. Monitoring shall be a tool for avoiding problems and improving performance as an ongoing process of planning, implementation, and follow-up for any subrecipient, CHDOs, and Rental projects, and other CDBG and HOME funded activities.

Primary

To ensure that sub-recipients are:

- Complying with all applicable federal requirements
- Complying with administrative and financial management standards

- Performing and delivering services in a timely manner

Secondary

- To identify any potential areas of non-compliance and offer technical assistance.

Monitoring Procedure

- In-house reviews of sub-recipient materials and regulations review
- Pre-monitoring visits with sub-recipient
- Conduct visit as follow:
 1. Notify of date, scope, focus of review
 2. Hold entrance conference with chief official
 3. Document, gather and analyze
 4. Hold exit conference to report results, hear reaction and form conclusions
 5. Follow-up with letter of results to include findings and/ or concerns

On-Site Visits

Staff performs on-site monitoring reviews at least annually, depending on the need assessment. Programs operations are observed, sub-recipient staff interviewed, client eligibility confirmed, and financial and programmatic reports verified from original documentation.

Long-Term Compliance

Activities involving real property acquisition or improvement require long-term compliance with the original purpose of the federal assistance. The City of Goldsboro Community Relations Department maintains a CDBG Real Property Inventory that is updated annually and confirms that such property is still being used for the intended purpose. The City of Goldsboro Community Relations Department will review HOME-assisted rental units, to ensure compliance with Housing Quality Standards, tenant eligibility, and rent charges.

HOME Rental Projects

Monitoring shall be conducted in accordance with the guidelines as set under the HOME Rental Program Activities. Staff will review annual Project Compliance Reports and perform regular on-site visits throughout the affordability period to ensure continued compliance with:

- Rent and occupancy requirements
- Property standards

Other Federal requirements (e.g. fair housing, lead-based paint, and affirmative marketing)

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Participation -- The City of Goldsboro provided for and encouraged citizen participation in the development and implementation of the Consolidated Plan and any subsequent amendments, Action Plans and CAPER. Particular emphasis was placed on participation by persons of low-to-moderate income who are residents of low and moderate-income neighborhoods and/or slum and blighted areas, and residents of public housing.

Access and Publishing of Action Plan and CAPER -- The City of Goldsboro provided citizens with reasonable and timely access to the Annual Action Plan and CAPER related to the City's proposed and actual use of funds. This was done through public meetings scheduled by the City, which were advertised in the local newspaper Goldsboro News-Argus and the City's website www.goldsboro.nc.gov. Meetings were held within the City limits in or near areas identified as slum and blighted and/or areas of predominantly low-to-moderate income persons. All meetings of the City were accessible to persons with disabilities. A summary of the City's 2018-2019 Action plan was published in the Goldsboro News Argus on March 31, 2018. The advertisement for the CAPER fifteen (15) day-review was published in the Goldsboro News Argus on October 31, 2019. Copies of the Plan will be made available upon request in accordance with City policies regarding making copies.

Public Hearings -- The City of Goldsboro provides for a minimum of two public hearings and/or meetings per year to obtain citizens' views and to respond to proposals and questions at all stages of the compilation of the Action Plan. A public hearing will be held on Monday, November 18, 2019 at 7:00 pm during the regular meeting of the Mayor and City Council to allow citizens to publicly comment on the CAPER.

The City of Goldsboro will make available a translator for non-English speaking residents in the case of public hearings when the City was notified that a non-English speaking resident would be in attendance. An interpreter will be available for hearing-impaired residents. Such requests must be made to the City Clerk's office no later than 4 days prior to the public hearing.

Comments -- Availability of the CAPER was publicized in the Goldsboro News-Argus detailing where the Plan can be reviewed and posted on the City's website www.goldsboronc.gov. Review of this report was made available for comments from November 11, 2019 through November 25, 2019. **The City of Goldsboro has not received any comments to incorporate into the draft report of the 2018-2019 CAPER. However, the CAPER is still out for public review.** The CAPER will be available at the City's Planning Department, the Office of the City Clerk in the City Hall Annex, 200 North Center Street, at the Community Relations office in the Historic City Hall Building, 214 North Center Street, at the Wayne County Public Library, 1001 East Ash Street, Goldsboro, at the Goldsboro Housing Authority, 1729 Edgerton Street, Goldsboro, and on the City's website at www.goldsboronc.gov.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City of Goldsboro has made significant progress relative to outlined goals during the 2018/2019 fiscal year. The continual expansion of programming and leveraging of state, federal, and local funds is a strong testament to the progress and effectiveness of the program. Although the general scope and goals of CDBG Programming in the City has remained consistent for several years, it is the experiences that drive the program and guide any minor changes to programming and administration throughout the course of the planning period. The City dedicated a significant amount of time during the FY 2018/2019 to ensuring it met the May 2nd test date goal of 1.50 by having a ratio of **0.61** May 2nd. The City didn't necessary make changes, activity outcome were determine by eligible applicants and funding source used for activities.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

Pursuant to loan agreements between the City and borrowers, property assisted with HOME, CDBG and/or local funds must be maintained in compliance with Section 8 Housing Quality Standards (HQS) and the Minimum Housing Code of the City. The Community Development and Inspection Department inspect a sample of units of property in the loan portfolio annually. Goldsboro Development Corporation currently has **fifteen (15)** houses in the rental program. During this reporting period, **six (6)** houses were inspected. All required repairs were completed as of the end of this reporting period. The Highlands of Goldsboro currently has **three (3)** designated HOME-Assisted units in the rental program. During this reporting period, **three (3)** apartments were inspected. There were no required repairs identified this reporting period.

The City of Goldsboro will use the resale provision to recoup the full HOME developer-subsidy assistance, which will be the amount remaining on the affordability period at time resale is trigger; to include, any payments made or pro rata reduction amount applied during the affordability period. This restriction is enforceable by a written Subordination and Standstill Agreement, Promissory Note, Deed of Trust, and Deed Restriction with the developer.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

In accordance with the provisions of the HOME Final Rule, 24 CFR 92.351, the City of Goldsboro has formally adopted a Resolution approving the City's Affirmative Marketing Policy and Implementation Procedures. The purpose of the City's Affirmative Marketing Policy is to ensure those persons of similar income levels in the same housing market area have a like range of choices in housing, regardless of race, color, religion, familial status, handicap, sex or national origin.

The City of Goldsboro's Community Relations Department assessed the effectiveness of the City's Affirmative Marketing plan as program year 2018-2019 and determined that the City's current Affirmative Marketing Plan is effectively meeting the goals and objectives. It was also determined that the Affirmative Marketing plan did not waste the City's time and efforts devoting energy to trying to persuade individuals who simply do not want to move and are highly unlikely to be convinced otherwise. Instead, the City's plan targeted and informed members of underrepresented race, color, religion, familial status, handicap, sex or national origin who would be interested in moving, but who simply lack information regarding available units or would be much more likely to move if provided with mobility assistance. These individuals are most likely to be ready and able to make a move work and to have the resources necessary for a successful transition.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

The City did not receipted any HOME program income in the Integrated Disbursement and Information System (IDIS). Although, it the City had recieved program income it would have been expended as required by the established guidelines. HOME program incomes are budgeted for eligible program activities and drawn on a first-in, first-out basis. No HOME program income was utilized towards planning and administrative costs. All program Income was provided for IDIS Activity Numbers: 660 and 661 (Homebuyer Assistance and/or CHDO Activities).

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

The City directed a combination of federal, state, and local funds toward achievement of these goals by funding single-family rehabilitation, new construction, infrastructure, and homebuyer assistance. The City continued to provide rehabilitation assistance to LMI single-family owner-occupied and rental housing units to maintaining decent affordable housing with available program funds. The City continued to identify potential housing sites that are conducive to the future development of affordable housing and comply with location criteria established by HUD.
