

The City of Goldsboro has Real Estate FOR SALE...

The City Manager's office is in the process of ramping up a marketing campaign to sell a number of properties that are owned by the city or city/county jointly. Our plans are to produce new signage that will attract investors, communicate more effectively and to highlight the city's brand. We will also utilize our website and social media outlets as tools to energize the community. The properties listed below are FOR SALE:

- 516 S. Leslie St., Goldsboro, NC – Original W.A. Foster Building
- Wayne Memorial Dr./New Hope Rd. (6.8 acres of land – Designated for Hotel only)
- 808 W. Grantham St., Goldsboro, NC 27533 (4.5 acres of land)
- Misc. residential lots (call for listing)
