

WHAT DO YOU WANT OUR TRANSPORTATION SYSTEM TO LOOK LIKE IN 5 YEARS? 10 YEARS? 25 YEARS?

Help us shape the direction of the Goldsboro Urban Area's Metropolitan Transportation Plan by providing input!

Join Us!

The Goldsboro Urban Area Metropolitan Planning Organization (MPO), in partnership with the City of Goldsboro, and member jurisdictions, has begun updating the region's 30 year transportation plan. The Goldsboro Urban Area's Metropolitan Transportation Plan will outline a regional strategy for a connected transportation system that accommodates existing and future mobility needs. The 2045 MTP is a financially constrained plan, meaning it helps identify projects and programs that can be reasonably implemented through the year 2045. The project team welcomes you to come learn about the planning process, participate in interactive activities, and engage in conversation about what is important to you!

PUBLIC WORKSHOP

4:00 PM TO 7:00 PM (DROP IN)
THURSDAY, JUNE 13TH

GOLDSBORO EVENT CENTER
1505 S. SLOCUMB STREET
GOLDSBORO, NC 27530
