Councilmember Williams asked if everyone was notified of the bid opportunity. Ms. Metz replied yes, everyone who bid on the last portion was notified.

Summer Youth Employment Update. Ms. Shycole Simpson-Carter provided the following information:

Background: Dissemination of the City of Goldsboro 2018 Summer Youth Employment Initiative (SYEI) Program launched mid December 2017. The process for recruiting SYEI Applicants for youth employment and worksite designation officially opened January 9, 2018 until February 9, 2018. Three mandatory information sessions were held at WCC (January 9th, 11th and 30th) for the upcoming program year. The number of youth that attended one of the three mandatory information sessions was 130.
Based on HR Department’s NEOGOV database, the number of hits or views of the Summer Youth Employment job posting on the City’s job opportunities page, from January 9th through February 9th was 961. Since December 18th over 80 paper applications have been picked up from the department. The number of views on the department’s webpage since the mid December 2017 release of SYEI program information until February 9th has been 1,253. It should be noted that last fiscal cycle during the same timeframe the number of views to the department’s webpage was 506 this is a 40% increase. The program has received 74 applications (16 online and 58 paper).

Snapshot 1:

Councilmember Foster expressed concerns regarding the process and stated he just wanted to be sure the process was fair to everyone.

Councilmember Williams expressed concerns regarding the marketing of the program and participation levels. He stated kids want to work, they need help with the application process.

Ms. Simpson-Carter suggested Council consider relaxing the income requirements and opening back up the application process.

Council discussed. Council consensus was to open the application process back up for an additional thirty days and relax income requirements with low-mod income applicants receiving priority.

**City Council Retreat Topics.** Mr. Scott Stevens shared the following topics received for the Council Retreat:

- **Council Topics:**
  - Environmental Service Salaries
  - Paramount Theater Operations Cost
  - Additional Mechanic Positions
  - Gym in District 1
  - Summer in the Zone
  - Internships

- **Staff Topics:**
  - New Positions
  - Boards and Commissions
  - Street Resurfacing Phase II
  - Financial Forecasting
  - Herman Park Center
  - Strategic Plan
  - Downtown Sanitation Services
  - Annual Police Department Report

Mr. Stevens asked if there was anything Council would like to add. Mayor Allen asked to add Historic District boundaries and Councilmember Stevens asked to add new industry recruitment.

**John Street – Willowdale Clean Up Discussion.** Mr. Chad Edge shared the following information:

- City owned properties along John Street, adjacent to Willowdale Cemetery, have grown up and become unsightly and are subject to illegal dumping of trash. See attached map of area highlighting properties.
- Propose to clean up trash and other man made materials from site and create a more presentable and naturalized stand of vegetation.
- Area “A” (highlighted in Orange) is approximately 4.3 acres and is proposed to be cleaned up of any woody debris, dead or damaged trees, undergrowth, and trash and then establish a turf grass around the remaining trees to be maintained (mowed) by the Cemetery. The portion of these properties along Elm Street are currently maintained by the Cemetery staff.
- Area “B” (highlighted in Blue) is approximately 5 acres and is proposed to be cleaned up of any woody debris, trash, old fence, and two large concrete pads and then stabilized with grass for erosion control until naturalized via planted trees (Tree Type TBD).
- Proposed work is to utilize Public Works Staff and equipment. It is anticipated that an additional piece of equipment, a bulldozer with root rake, will need to be rented.
- Estimated costs associated with the cleanup:
  - Landfill Tipping Fees $20,000
  - Bull Dozer rental $ 5,000
  - Erosion Control/ Seed $ 4,000
  - Trees for Area “B” $ 1,000
  - Total $30,000

- Currently Public Works is able to take concrete debris to the landfill free of charge. If this changes then additional costs will be incurred.
Recommend that trees are planted in the fall or when appropriate for the species selected.

Council consensus was staff could move forward.

**Animal Control Discussion.** Chief West stated the city’s Animal Control Officer retired at the end of 2016, and the Animal Control duties became the responsibility of the Police Department’s Fleet Maintenance Coordinator and police officers.

In January of 2017, the city advertised for the Animal Control position. During this time, the county approached us (the city) and offered to take over the city’s Animal Control services.

Around March of 2017, the county took over Animal Control services for the city on a trial basis. Since then, Wayne County Animal Control has been serving the citizens of Goldsboro for animal control issues.

The County Manager has notified the City Manager of the county’s intent to stop handling Animal Control for the City effective July 1, 2018.

In order for the Police Department to resume Animal Control for the city, the creation of a non-sworn position at the Police Department will need approval by the council. The Animal Control position is a pay grade 70, with a starting salary of $32,607.00. The total cost of the position with benefits is $44,389.00.

In 2016, a new truck was purchased for Animal Control and that truck was reassigned to Fleet Maintenance in 2017 when Wayne County took over Animal Control for the city. The 1989 Chevrolet Truck, which was used for Fleet Maintenance, was then taken out of service for daily use. The current Fleet Maintenance vehicle will be reassigned back to Animal Control; however, a new Fleet Maintenance truck will need to be purchased at a cost of approximately $18,713.39.

The Police Department currently has equipment on hand, apart from traps, to resume Animal Control for the city once the position is filled. In addition to the equipment on hand, it is recommended that the police department purchase six (6) medium size traps that include a small trap at a unit price of $29.99 each for a total cost of $179.94. It is also recommended that two (2) large dog traps are purchased at a unit cost of $277.99 each for a total cost of $555.98.

The total cost to the city to resume Animal Control is $63,688.37, with an annual recurring cost of approximately $44,389.00.

Council discussed. Mayor Allen asked what about after hours and Chief West replied an officer would respond. Council consensus was staff could proceed.

**NC Governor’s Crime Commission Body Camera Grant.** Chief West shared although the application process will be open until May 2018, awards are being made on a first-come, first serve basis. The body cameras must also be purchased prior to June 30, 2018. The maximum request is $100,000 and the grant is a 50/50 match.

Chief West share the department intends to purchase up to 96 body cameras and related accessories (docking stations, chargers, trigger boxes for vehicles, etc.) as well as a primary and back-up serve for storage.

The department purchased 35 body cameras in May 2017 through 2016 JAG Grant. With the current cameras being used, there are generally, on average about 5 that are out of service for repairs. These additional cameras will allow the department to outfit street officers and investigators with a body camera and allow for spares while others are being repaired.

First body cameras were purchased from Digital Ally. Those purchased through this grant, if approved would be GETAC. Total amount requested is $178,276.42. As a part
of the 50/50 match requirement, the City would provide $89,138.21. The reoccurring annual fees would be approximately $13,700 for maintenance. As a part of the purchase, GETAC will replace all the cameras after two years. Following that, the department would be responsible for camera replacements, as needed.

These are monies from the State Appropriations Committee and are not a part of any federal funds. Other grants utilizing federal funds are now on hold, and money is not being disbursed, due to pending litigation with Sanctuary Cities.

Council discussed lifespan of the body cameras and what other departments used. Council consensus was staff could proceed.

**Minutes.** Ms. Melissa Corser shared she received a call from Ms. Constance Coram who stated she attended the Work Session on January 8th and January 22nd. Ms. Corser stated she added Ms. Coram to the list of those present.

**Consent Agenda Review.** Each item on the Consent Agenda was reviewed. Additional discussion included the following:

**Item F. Ordinance Amending Section 97:31 Parks and Recreation Department.** Councilmember Foster stated he pointed this out over a year ago and we should know the rules and regulations. He stated he has a problem with it and would like for it to be removed from the Consent Agenda.

Councilmember Foster made a motion to remove Item F. Ordinance Amending Section 97:31 Parks and Recreation from the Consent Agenda. The motion was seconded by Councilmember Williams. Councilmembers Fosters and Williams voted in favor of the motion. Mayor Allen, Mayor Pro Tem Ham, Councilmembers Broadaway, Stevens and Aycock voted against the motion. Mayor Allen stated the motion failed 2:5.

**Closed Session Held.** Upon motion of Councilmember Stevens, seconded by Councilmember Williams and unanimously carried, Council convened into Closed Session to discuss a potential litigation matter.

Council came out of Closed Session.

There being no further business, the meeting recessed until the 7:00 p.m. meeting.

**CITY COUNCIL MEETING**

The Mayor and Council of the City of Goldsboro, North Carolina, met in regular session in Council Chambers, City Hall, 214 North Center Street, at 7:00 p.m. on March 5, 2018 with attendance as follows:

**Present:** Mayor Chuck Allen, Presiding  
Mayor Pro Tem David Ham  
Councilmember Antonio Williams  
Councilmember Bill Broadaway  
Councilmember Mark Stevens  
Councilmember Bevan Foster  
Councilmember Gene Aycock

The meeting was called to order by Mayor Allen at 7:00 p.m.

Pastor Mason Campbell with Fellowship Baptist Church provided the invocation. The Pledge to the Flag followed.

**Approval of the Minutes.** Councilmember Williams made a motion to approve the Minutes of the Work Session and Regular Meeting of January 8, 2018, Minutes of the Joint Meeting of the Goldsboro City Council and Wayne County Commissioners of January 10, 2018 and the Minutes of the Work Session and Regular Meeting of January 22, 2018 as submitted. Councilmember Broadaway seconded the motion. Mayor Allen,
Mayor Pro Tem Ham, Councilmembers Williams, Broadaway, Stevens and Aycock voted in favor of the motion. Councilmember Foster voted against the motion. Mayor Allen stated the motion passed 6:1.

**Parks and Recreation Recognition.** Mr. Andy Richards with USSSA (United States Specialty Sports Association) shared information regarding tournaments held at Berkeley Park in Goldsboro and the working relationship he has with Mr. Russell Stephens. Mr. Richards presented Mr. Stephens with a plaque for the 2017 Parks and Recreation of the Year Award.

**Proclamation – Brain Injury Awareness Month.** Mayor Allen proclaimed March 2018 as “Brain Injury Awareness Month” in Goldsboro, North Carolina and called upon all citizens and interested groups to observe the month with appropriate ceremonies and activities that promote awareness and prevention of brain injuries.

Mayor Allen presented a framed copy of the Proclamation to Renu Life representatives. Ms. Pier Tarrant and Mr. Ken Jones with Renu Life thanked Council for their support and shared information regarding Renu Life.

**Comprehensive Annual Financial Audit Presentation.** Ms. Kaye Scott shared the General Statutes of the State of North Carolina require that the City of Goldsboro undertake an independent audit of its financial records on an annual basis. The City has contracted with the firm of Carr, Riggs and Ingram, LLC to conduct the annual review. The Audit examines, by fund, all categories of the City’s revenues and expenditures. It also illustrates revenues and expenditures by reporting the amounts on the original budget plus the final budget compared to the amounts that were actually received and spent throughout the Fiscal Year.

Mr. Dean Horne with Carr, Riggs, and Ingram provided a brief overview of the audit and pointed out fund balances did increase. Mr. Horne stated if Council has any questions to feel free to contact him.

Councilmember Williams asked if our ratings are still the same. Mr. Horne replied at this time they are the same. Ms. Scott shared we will be going back to the rating agencies this summer.

**Public Comment Period.** Mayor Allen opened the public comment period and the following person spoke:

Diane Hammond along with Kali Kobb with Impact Teens and Rev. Mary Reese with St. Andrew's Episcopal Church invited Council to attend A Story and Conversation with 9-11 Hate Crime Survivor Rais Bhuiyan. In collaboration with a World Without Hate, a presentation about tragedy and triumph is scheduled for April 7th at the Goldsboro Event Center at 2:00 p.m.

No one else spoke and the public comment period was closed.

**Consent Agenda - Approved as Recommended.** City Manager, Scott A. Stevens, presented the Consent Agenda. All items were considered to be routine and could be enacted simultaneously with one motion and a roll call vote. If a Councilmember so requested, any item(s) could be removed from the Consent Agenda and discussed and considered separately. In that event, the remaining item(s) on the Consent Agenda would be acted on with one motion and roll call vote. Mr. Stevens reminded Council Item L. CU-1-18 SWR Properties, LLC – North side of Patetown Road between Industry Court and North William Street. Councilmember Williams moved the items on the Consent Agenda, Items E, F, G, H, I, J, K and M be approved as recommended by the City Manager and staff. The motion was seconded by Councilmember Ham. Mayor Allen, Mayor Pro Tem Ham, Councilmembers Williams, Broadaway, Stevens and Aycock voted in favor of the motion. Councilmember Foster voted against the motion. Mayor Allen declared the Consent Agenda approved as recommended with a 6:1 vote. The items on the Consent Agenda were as follows:
Authorization of an Agreement with McKim & Creed Engineering for Professional Services on Equalization Basins #3, #4, & #5 Enhancement Study at the WRF. Resolution & Ordinance Adopted.  WRF Equalization Basin #5 at the near the end of Seymour Johnson Air Force Base’s runway is designated as a Clear Zone and Basins #3 and #4 are designated as Accident Potential Zone I. It is the City’s intention to drain the water, remove the sludge from EQ Basins #3, #4, & #5, and mitigate the basins, reducing the attraction to waterfowl and enhancing the WRF process. The City would also continue its bird harassment program with USDA Wildlife Services.

The City of Goldsboro advertised for Requests for Qualifications from engineering firms and received two responsive RFQs on August 2, 2017. Both companies were invited to present on the project on August 30, 2017.

The City is interested to get an estimated cost to implement the Equalization Basins #3, #4, #5 Enhancement Project. A proposal has been received from McKim & Creed Engineering for these services in an amount not to exceed $158,000.

The City allocated $50,000 in its current FY 17-18 for these services. The additional amount of $108,000 will need to be appropriated from the unassigned fund balance of the Utility Fund.

It is recommended that Council:

1. Adopt the following entitled resolution authorizing the City Manager to execute a contract with McKim & Creed not to exceed $158,000 to provide engineering services for the feasibility and cost estimate for the Equalization Basins #3, #4, & #5 Enhancement Study.
2. Adopt the following entitled budget ordinance allocating the additional $108,000 from the unassigned fund balance from the Utility Fund for this professional services contract. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

RESOLUTION NO. 2018-6 “RESOLUTION AWARDING AND AUTHORIZING EXECUTION OF A CONTRACT WITH MCKIM & CREED FOR PROFESSIONAL SERVICES ON THE EQUALIZATION BASINS #3, #4, & #5 ENHANCEMENT STUDY”

ORDINANCE NO. 2018-9 “AN ORDINANCE AMENDING THE BUDGET ORDINANCE FOR THE CITY OF GOLDSBORO FOR THE 2017-18 FISCAL YEAR”

Ordinance Amending Section 97.31 Parks and Recreation Department. Ordinance Adopted. The Parks and Recreation Department has been the managing department of the Goldsboro Municipal Golf Course since its renovation in 1999. Ordinance language from 1970 refers to the management of the golf course not being the responsibility of the Parks and Recreation Department. In 1970, the golf course was operated by an individual through a management agreement and thus not a division of a city department.

Based on the above information, staff feels it is necessary to update the language of the City Ordinance to delete the section that takes the management of the Goldsboro Municipal Golf Course from the Parks and Recreation Department.

It is recommended Council accept the staff’s recommendation and adopt the amendment deleting the “Powers vested in the Department” Section D of 97.31 that refers to powers provided to the Parks and Recreation Department, other than the municipal golf course. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

ORDINANCE NO. 2018-10 “AN ORDINANCE AMENDING CHAPTER 97 ENTITLED “PARKS AND RECREATION” SECTION 97.31 PARKS AND RECREATION DEPARTMENT OF THE CODE OF ORDINANCES OF THE CITY OF GOLDSBORO, NORTH CAROLINA”
Applicant proposes to locate a metal commercial building in the side yard of an existing lot currently occupied by Wave of Glory Church for the purpose of operating a child daycare center.

Frontage: 350 ft.
Depth: 350 ft. (Average)
Area: Approx. 4.091 acres
Zoning: Office and Institutional-1

The submitted site plan indicates the placement of a (55 ft. x 50 ft.) 2,750 sq. ft. metal building to be constructed in the side yard of the existing church. The building will serve as a daycare center for approximately 50 children.

The City’s Code allows no more than 50% of the exterior building materials to be smooth face concrete or prefabricated steel panels. Staff is working with the applicant to insure compliance with this regulation.

Hours of operation: 6:00 a.m. – 6:00 p.m. (Monday-Friday)

Adding the building is considered an expansion to the existing site. Since the expansion is greater than 50% of the gross floor area of the existing church (4,493 sq. ft.), the City’s Unified Development Code will require that the entire site meet current development regulations.

An existing paved parking lot which contains 40 spaces will serve both the church and the proposed day care operation. Based on UDO regulations, a total of nine parking spaces are required for the day care along with an area for loading and unloading capable of stacking four vehicles. Circulation through the parking area will allow for stacking more than four vehicles. Customers will access the new day care building through 5 ft. wide concrete pedestrian sidewalks leading from the church.

Two existing curb cuts provide paved ingress and egress to the parking lot.

A 3,750 sq. ft. fenced play area is proposed adjacent to the day care building. This will meet the City’s requirement of 75 sq. ft. per child.

The submitted landscape plan shows a total of 14 Autumn Fantasy Maples to serve as street trees along both U.S. Highway 117 to the rear and McDaniel Avenue.

A 5 ft. wide landscape buffer yard exists along the southern property line. An existing wooded area exists along the northern property line.

Since the impervious surface ratio is less than .20, no interior parking lot landscaping is required.

A dry detention pond is shown between the daycare building and McDaniel Avenue. The pond will be appropriately screened by evergreen shrubs.

The site is located within a Special Flood Hazard Area known as the 100-year floodplain and will be subject to the City’s floodplain regulations.

Drainage plans and stormwater calculations will be required and subject to City Engineering approval before a building permit can be issued.

The Planning Commission, at their meeting on February 26, 2018, recommended approval of the development plans subject to approval of stormwater calculations and drainage plans.
Staff recommended Council accept the recommendation of the Planning Commission and approve the site and landscape plans as submitted subject to approval of stormwater calculations and drainage plans by the City’s Engineering Department. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

**Site and Landscape Plans – Wayne County ABC Store. Approved.** The property is located on the east side of Wayne Memorial Drive between Best Avenue and Tommy’s Road. Site is immediately adjacent to the rear of the Wal-Mart Neighborhood Market.

- Frontage: 176 ft.
- Depth: 420 ft. (average)
- Area: 1.8 Acres (approx.)
- Zoning: Shopping Center

Zoning for the property was changed from Office and Institutional-1 to Shopping Center on February 6, 2012.

The property was annexed on December 31, 2015.

The submitted site plan indicates a 5,000 sq. ft. building and a parking lot containing 33 parking spaces (includes 2 handicapped spaces). A total of 25 spaces are required based on one space per 200 sq. ft. of gross floor area. Interior walkways leading from the parking area to the building have been shown.

One curb cut will provide access from Wayne Memorial Drive. During site plan approval for the adjacent Wal-Mart, an additional private drive extended to the property line and will be utilized for internal access between the two sites.

NCDOT is currently reviewing the plans to determine whether any street improvements along Wayne Memorial Drive will be necessary.

A loading dock and ramp is shown at the rear of the property along with a screened dumpster corral. An extended driveway at the rear will provide space for trucks to maneuver between those two areas.

The submitted landscape plan shows the installation of four Pin Oaks to serve as street trees. Additional Pin Oaks will be installed along with a variety of large and small shrubs within parking lot end aisles. Shrubs will include Wax Myrtles, Yaupon Hollies and Indian Hawthorns.

A Type C (20 ft. wide) buffer is shown to screen the parking area along that portion of the property line which abuts residentially-zoned property to the south. A portion of this property line follows a Blue Line Ditch which requires a 50 ft. setback for any construction and a 30 ft. setback for the planted buffer.

Where the property abuts O&I-1 or Shopping Center zoning, a Type A (10 ft. wide) buffer is shown.

The developer will be required to pay a fee in lieu of sidewalk installation in the amount of $2,235.

Stormwater calculations have been submitted to the City’s Engineering Department. A wet detention pond is shown at the rear of the site which will be screened appropriately. No building permits will be issued until the stormwater calculations have been approved.

A lighting plan has not been submitted although there is a note included on the site plan indicating that all outdoor lighting will be faced downward away from residential properties. Staff will require the submission and in-house approval of a detailed lighting plan.
The submitted elevation plans shows a masonry, stone and brick veneer exterior with metal awnings over windows and a metal seam roof.

The Planning Commission, at their meeting held on February 26, 2018, recommended approval of the site, landscape and building elevation plans subject to approval of stormwater calculations.

Staff recommended Council accept the recommendation of the Planning Commission and approve the site, landscape and building elevation plans for the ABC Store site subject to approval of stormwater calculations. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

Site and Landscape Plans – E Park, LLC Property. Approved. The property is located on the south side of Graves Drive between Berkeley Boulevard and Malloy Street.

On March 6, 2017, Council approved a zoning change for the property from Shopping Center to General Business Conditional District. At that time, no use was proposed and development plan approval was required before occupying the site. The property was previously occupied by Century Uniforms.

The property contains an existing 4,750 sq. ft. masonry block and metal commercial building formerly occupied by Century Uniforms.

| Frontage | 100 ft. |
| Depth    | 200 ft. |
| Area     | 20,000 sq. ft., or 0.46 acres |

The property owner is working with a tenant who wishes to occupy the site. The tenant is a catering company that proposes utilizing the front portion of the building as a display area and the rear as the “commissary” associated with the business.

No changes to the existing site are proposed.

The site plan indicates a 4,750 sq. ft. masonry block and metal commercial building and a total of 18 parking spaces. Based on the use, only 14 spaces are required.

Street trees and buffers are existing on the site, however, a Type A (5 ft. wide) buffer will be required along the western property line.

A 20 ft. wide asphalt driveway provides access to the site from Graves Drive. Interconnectivity is existing to the east.

At their meeting held on February 26, 2018, the Planning Commission recommended approval of the site and landscape plans subject to the addition of a 5 ft. wide buffer along the western property line.

Staff recommended Council accept the recommendation of the Planning Commission and approve the site and landscape plans subject to the 5 ft. wide landscape buffer being installed along the western property line. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

Site and landscape Plan – Addition to Mt. Carmel Church. Approved. The property is located on the west side of N. John Street between Basil Street and Greenleaf Street.

Applicant proposes to locate a modular approved commercial building in the rear yard of an existing lot currently occupied by a church.

| Frontage | 140 ft. |
| Depth    | 178 ft. |
| Area     | 65,340 sq. ft. or 1.5 acres |
Zoning: Office and Institutional-1

The submitted site plan indicates the placement of a 39 ft. by 70 ft. (2,730 sq. ft.) modular building behind an existing church containing approximately 3,770 sq. ft. The modular unit will serve as offices and classrooms by staff and members of the church.

The proposed modular building is considered an expansion to the existing site. Since the expansion is greater than 50% of the gross floor area of the existing church, the City’s Unified Development Code will require that the entire site meet current development regulations.

The existing church was constructed prior to adoption of City ordinances pertaining to setbacks. As a result, a modification of the front yard setback from 25 ft. to 15 ft. for the existing church structure will be required.

The submitted site plan shows the proposed modular unit located approximately 20 ft. from the rear property line. A modification of the rear setback from 25 ft. to 20 ft. will be required.

A total of 67 parking spaces are required for the church. There are 13 unpaved parking spaces on the church lot and space for more than 60 spaces available on property owned by the church across Greenleaf Street. Both lots are accessible through graveled driveways.

Since the City’s Unified Development Code requires paved and striped vehicular surface areas, the applicant has requested a modification for a period of two years.

The submitted site plan shows a total of 10 street trees to be installed along North John and Greenleaf Streets. Modifications of buffer yards along the northern, southern and western property lines have been requested. There is a slatted fence located along the southern property line, adjacent to the iron and metal recycling business and the applicant wishes to install a 5 ft. wide buffer along the northern property line as the adjacent property is vacant.

A modification of the vehicular surface area and vehicular surface buffers has been requested until the parking lots are paved. Drainage plans and stormwater calculations will be required at time of paving.

The applicant requests the following modifications.

1. Modification of church front setback requirement from 25 ft. to 15 ft.
2. Modification of the modular unit’s rear setback requirement from 25 ft. to 20 ft.
3. Modification of the parking lot paving and striping requirement for a period of two years.
4. Modification of landscape buffers, parking lot vehicular surface area and vehicular surface buffer.

The Planning Commission, at their meeting held on February 26, 2018, recommended approval of the site and landscape plan with the requested modifications.

Staff recommended Council accept the recommendation of the Planning Commission and approve the site and landscape plans for the addition of a modular unit at Mt. Carmel Church with the following modifications.

1. Modification of front setback requirement for the existing church building from 25 ft. to 15 ft.
2. Modification of the modular unit’s rear setback requirement from 25 ft. to 20 ft.
3. Modification of the parking lot paving and striping requirement for a period of two years.
4. Modification of landscape buffers, parking lot vehicular surface area and vehicular surface buffer. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

S-5-85 Wayne Dental Center (Amendment of Preliminary Subdivision Plat and Site Plan Revision). Approved. The property is located on the southeast corner of Wayne Memorial Drive and Lockhaven Drive.

On February 20, 1989, Wayne Dental Center converted the existing medical office complex into a condominium office development (PUD) where each individual unit was sold for use as offices.

In 2006, Council approved a revision to the preliminary subdivision plat and site plan to include a 727 sq. ft. office addition within Lot no. 4. This addition was never done.

The applicant now proposes to relocate a staircase from inside the building to the rear of the building on Lot No. 7 of the Dental Office Complex. No additional doctors will be added as a result of the proposed addition, therefore, no additional parking is required or shown.

A minimum lot size requirement of 5 acres is established for all Planned Unit Developments. Wayne Dental Center has a total lot area of 2.28 acres. A modification of that requirement was previously issued.

A modification of the minimum open space requirement from 2 acres to .467 acres will be necessary.

Hours of operation are from 8:00 a.m. to 5:00 p.m. Monday through Thursday and from 8:00 a.m. to 12:00 noon on Friday.

No changes to existing landscaping are proposed.

Sidewalks are not required since the expansion does not exceed 50% of the total building value.

The Planning Commission, at their meeting on February 26, 2018 recommended approval of the revised subdivision plat and site plan.

Staff recommended Council accept the recommendation of the Planning Commission and approve the preliminary subdivision plat and site plan revision as submitted. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

Fourth Annual Downtown Goldsboro Kilt Fun Run – Temporary Street Closing Request. Approved. The Flying Shamrock Irish Pub is requesting permission to close a portion of certain City streets on Saturday, March 17, 2018 from 11:00 a.m. to 12:00 p.m. in order to hold their fourth annual kilt fun run.

The street closing request is as follows:

Parade Route: John Street beginning at 115 North John Street, right on E. Walnut Street, right on N. Center Street, right on E. Mulberry Street, right on N. John Street to 115 North John Street.

Staging area: 115 North John Street

The Police, Fire, Public Works and Downtown Goldsboro offices have been notified of this request.

Staff recommends approval of this request subject to the following conditions:

1. All intersections remain open for Police Department traffic control.
2. A 14-foot fire lane is maintained in the center of the street to provide access for fire and emergency vehicles.
3. All activities, changes in plans, etc. will be coordinated with the Police Department.
4. The Police, Fire, Public Works and Downtown Goldsboro offices are to be involved in the logistical aspects of this event.

It is recommended that the City Council by motion, grant street closings on Walnut, John, Mulberry, and Center Streets on March 17, 2018 from 11:00 a.m. to 12:00 p.m. in order that the Fourth Annual Downtown Goldsboro Kilt Fun Run may take place, subject to the above conditions. Consent Agenda Approval. Williams/Aycock (6:1 Foster)

End of Consent Agenda.

CU-1-18 SWR Properties, LLC - North side of Patetown Road between Industry Court and North William Street. Postponed. Applicant requests a Conditional Use Permit to allow the construction and operation of a concrete business.

Frontage: 730.75 ft. (Patetown Road)
750.83 ft. (Industry Court)
Area: 11.9 acres
Zone: I-2 General Industry

A concrete business is permitted within the I-2 zoning district after the issuance of a Conditional Use Permit approved by City Council.

The site was formerly occupied by Americal Corporation and was purchased by the applicant in 2004.

The site is occupied by a 52,000 sq. ft. masonry block, brick and metal commercial building divided into individual tenant spaces for lease. Uses within the building include a restaurant, nail spa, electrical supply and hardware company.

The applicant now proposes to locate a concrete plant directly behind the main commercial building.

Number of employees: 11
Hours of Operation: 7:30 a.m. - 5:30 p.m. (Monday-Saturday)

While there is existing access to the site through two curb cuts on Patetown Road, the applicant proposes that the main access to the concrete business will be provided through a 20 ft. wide gated asphalt driveway to the site off Industry Court.

Parking is based on 1 space per 2 employees and 1 space for each vehicle stored on site. Sufficient paved parking exists at the rear of the building for employees of the concrete business as well as the 3 vehicles that are anticipated to be stored on the site.

Site is subject to stormwater and drainage regulations as required by the City Engineering Department.

The submitted site plan shows a proposed 14 ft. by 14 ft. office building located adjacent to a 62.94 ft. tall concrete silo, belt conveyor and batch hopper for transporting aggregates for cement production.

According to the City’s Unified Development Code, any structure exceeding 50 ft. in height in a non-residential district shall be setback from the adjoining property lines a minimum distance of 150% of the structure’s height. Based on the height of the concrete silo (62.94 ft.) a minimum setback of 94.5 ft. from each property line is required. The site plan has been revised to reflect this distance.

An existing 6 ft. tall chain-link fence with barbed wire encloses the site. Applicant will install privacy slats within the existing fence to meet this requirement.
Street trees are shown along both Patetown Road and Industry Court. Additional landscaping is shown along the western property line and Industry Court.

The City’s UDO requires that a concrete plant may not be located less than 1,000 ft. from residentially zoned or developed property. Residentially-zoned property exists immediately to the southeast across Patetown Road, as well as to the north and west. A modification of the 1,000 ft. requirement will be necessary.

At the public hearing held on February 19, 2018, no one spoke either for or against the request.

At their meeting held on February 26, 2018, the Planning Commission recommended approval of the request with the distance modification from residential property.

Upon motion of Councilmember Foster, seconded by Councilmember Williams and unanimously carried, Council postponed the consideration of this item for two weeks.

**City Manager’s Report.** Mr. Scott Stevens stated he would like to congratulate the Wayne County Commissioners and the City Council on the opening of the Maxwell Center.

**Mayor and Councilmembers’ Reports and Recommendations.**

Councilmember Aycock shared he attended the grand opening, it is a magnificent building.

Councilmember Foster stated no comment.

Mayor Pro Tem Ham commented on Black History Month events and articles.

Councilmember Stevens congratulated Ms. Jacobs and expressed his support for the expansion of arts throughout the City. He also expressed condolences to Rev. Billy Graham’s family.

Councilmember Broadaway stated no comment.

Councilmember Williams thanked all the citizens who applied for the boards and commissions. There are still positions available for Historic District Commission. He also encouraged teenagers to follow-up on the Summer Youth Employment Program.

Mayor Allen recognized Mike Myrick with the ABC Commission. He also commented on events for Black History Month and stated he felt we did a better job this year recognizing Black History Month. Mayor Allen shared we did reopen the application process for the next month for the Summer Youth Employment Program and relaxed income requirements. Mayor Allen stated the Maxwell Center is a game changer for Goldsboro and Wayne County. He stated he is proud of the partnership between the county, the city and agricultural community. Mayor Allen commended Kaye and her staff for the excellent work they do and for receiving a clean audit report.

Councilmember Ham recognized Ms. Brandi Matthews.

There being no further business, the meeting adjourned at 7:33 p.m.

NATIONAL DAY OF PRAYER
PROCLAMATION

WHEREAS, civic prayers and national days of prayer have a long and venerable history in our constitutional republic, dating back to the First Continental Congress in 1775; and

WHEREAS, the Declaration of Independence, our first statement as Americans of national purpose and identify, made “the Laws of Nature and Nature’s God” the foundation of our United States of America and asserted that people have inalienable rights that are God-given; and

WHEREAS, created in 1952 by a joint resolution of the United States Congress, and signed into law by President Harry S. Truman, the mission and purpose is to encourage prayer for our country and personal repentance; and

WHEREAS, in 1988, legislation setting aside the first Thursday in May of each year as a National Day of Prayer was passed unanimously by both Houses of Congress and signed by President Ronald Reagan; and

WHEREAS, the Supreme Court has affirmed the right of state legislatures to open their sessions with prayer and the Supreme Court and the U.S. Congress themselves begin each day with prayer; and

WHEREAS, this year, Wayne County United in Prayer is hosting its annual local National Day of Prayer event; and

WHEREAS, the National Day of Prayer is an opportunity for Americans of all faiths to join in united prayer to acknowledge our dependence on God, to give thanks for blessings received, to request healing for wounds endured, and to ask God to guide our leaders and bring wholeness to the United States and her citizens.

NOW, THEREFORE, I, Chuck Allen, Mayor of the City of Goldsboro, North Carolina, do hereby proclaim Thursday, May 3, 2018 as

AGENDA MEMORANDUM
APRIL 16, 2018 COUNCIL MEETING

SUBJECT: PUBLIC HEARING
Z-5-18 Fortina Alcala-Hernandez – Northeast corner of Tommy’s Road and Clara Monte Drive

BACKGROUND: The applicant requests a zoning change from R-20A Residential to RM-9 Residential Manufactured Home.

Frontage: 145 ft.
Depth: 497 ft. (approx.)
Area: 0.88 acres

Surrounding Zoning: North: R-16 Residential
South: R-20A and RM-9 Manufactured Home
East: R-16 Residential
West: R-16 Residential

Existing Use: The property is currently vacant.

Proposed Use: The requested RM-9 Residential zone would permit the placement of one manufactured (mobile) home on the property.

Comprehensive Plan Recommendation: The City’s adopted Land Use Plan recommends Low-Density Residential development for the subject property. The request to RM-9 would be consistent with the Plan.

DISCUSSION: Engineering Comments: City water and sewer lines are not available to serve the subject property.

Property to the east of the subject site was rezoned from R-20A to RM-9 on January 23, 1995.
The RM-9 zoning district would require masonry underpinning, pitched roof and horizontal siding. It will be required to have working windows and no rust and have the appearance of a site-built home.

RECOMMENDATION: No action necessary. Planning Commission will have a recommendation for the Council’s meeting on May 7, 2018.

AGENDA MEMORANDUM  
APRIL 16, 2018 COUNCIL MEETING  

SUBJECT: Reconstruction of Former W.A. Foster Center – Change Order  

BACKGROUND: On February 5, 2018, the City awarded the renovations contract to the Former W.A. Foster Center to Billy Brock Construction, Inc. in the amount of $118,390. Council indicated that $200,000 was the approved budget for this project. To date, the City has spent $179,615 for design, asbestos removal, monitoring and reconstruction.

DISCUSSION: The following is a listing of additional renovations requested for this facility:

The City’s current budget does not have sufficient funding for these additional renovations. It will be necessary to appropriate the $23,021 for this change order.

RECOMMENDATION: It is recommended that:
1. Council authorize the City Manager to sign the change order in the amount of $23,021 from Bill Brock Construction, Inc.
2. Council adopt the attached budget ordinance decreasing the unassigned fund balance from the General Fund in the amount of $23,021.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
APRIL 16, 2018 COUNCIL MEETING

SUBJECT: Audit Services for Fiscal Year Ending June 30, 2018

BACKGROUND: The General Statutes of the State of North Carolina require that the City of Goldsboro undertake an independent audit of its financial records on an annual basis. The Audit examines, by fund, all categories of the City’s revenues and expenditures. It also illustrates revenues and expenditures by reporting the amounts on the original budget plus the final budget compared to the amounts that were actually received and spent throughout the Fiscal Year.

DISCUSSION: The CPA firm of Carr, Riggs and Ingram, LLC has performed the City’s audit for the past several years, and they are very familiar with the City’s financial records. Mr. Dean Horne, CPA, has provided a quote of $45,000 and it is felt that this price is accurate for the amount of work that is essential and the requirements placed upon the auditors by the Local Government Commission, and the quality of the reports provided by this firm. This figure does include the single auditing requirements for grant funding and FEMA.

RECOMMENDATION: It is recommended that the Council, by motion, award the auditing services for the Fiscal Year ending June 30, 2018 to Carr, Riggs and Ingram, LLC.

SUBJECT: Stream Debris Removal Project Contract – Change Order

BACKGROUND: The City of Goldsboro applied for a grant with the North Carolina Department of Agriculture and Consumer Services for stream debris removal resulting from Hurricane Matthew. On May 15, 2017, Council authorized the City Manager to enter into an agreement on behalf of the City for $105,355 under the Disaster Recovery Act of 2016 with the North Carolina Department of Agriculture and Consumer Services.

DISCUSSION: The City was approved for the vegetative debris and downed trees at the Big Ditch, Howell Creek, Mimosa Park Ditch, Stoney Creek and Little River Arbitrary. On February 19, 2018, the City Council approved the contract with Three Deuces, Inc. for $48,222 for the removal of debris in these areas. Since grant funding is available to cover additional debris removal, staff asked that Three Deuces submit pricing for the Little River and Stoney Creek areas. The costs submitted were $56,775. Attached is the map to illustrate current and proposed areas.

There are adequate grant funds available to cover the cost of this contract.

RECOMMENDATION: It is recommended that Council adopt the attached resolution authorizing the City Manager and City Clerk to sign the change order with Three Deuces, Inc. in the amount of $56,775.

Since these vehicles were needed before financing could be finalized, reimbursement resolutions were adopted by Council at previous meetings.
DISCUSSION: Request for Proposals (RFP’s) was mailed on March 19, 2018 with 21 different financial institutions responding on April 5, 2018. A listing of the proposals is attached for Council’s information. Under section 265(b) of the IRS Code, make issue loans with a Bank Qualification designation. In order to meet the designation, the City cannot issue tax-exempt debt in excess of 10 million in a calendar year. Based on the current debt issuance plans, the City does anticipate issuing over the $10 million. Therefore, the City must concern only the Non-Bank Qualified proposals.

The bids submitted by all responding institutions comply with the City’s RFP. The bid proposed by Banc of America Public Capital Corp presents the most attractive proposal based on the lower Non-Bank Qualified total cost to the City with an interest rate of 2.7893% over the 58 month term.

RECOMMENDATION: By motion, the Council adopt the attached resolution authorizing the City Manager, City Clerk and Finance Director to enter into the installment financing contract with Banc of America Public Capital Corp in the amount of not to exceed $2,300,000.

2. After consideration, the governing body has determined that the most advantageous manner of financing thereof is by an installment contract pursuant to Section 160A-20 of the General Statutes of North Carolina.

3. Pursuant to said Section 160A-20, the City of Goldsboro is authorized to finance this Project by installment contract that create a security interest in the property financed to secure repayment of the financing.

4. Banc of America Public Capital Corp (“BAPCC”) has proposed that they finance the equipment pursuant to an Installment Purchase Contract between the City and BAPCC.

5. The governing body hereby authorizes and directs the City Manager and Director of Finance to execute, acknowledge and deliver the Contract on behalf of the City in such form and substance as the person executing and delivering such instruments on behalf of the City shall find acceptable. The Clerk is hereby authorized to affix the official seal of the City of Goldsboro to the Contract.

6. The proper officers of the City are authorized and directed to execute and deliver any and all papers, instruments, opinions, certificates, affidavits and other documents and to do or cause to be done any and all other acts and things necessary or proper for carrying out this Resolution and the Contract.

7. Notwithstanding any provision of the Contract, no deficiency judgment may be rendered against the City in any action for breach of a contractual obligation under the Contract and the taxing power of the City is not and may not be pledged directly or indirectly to secure any moneys due under the Contract, the security provided under the Contract being the sole security for BAPCC in such instance.

8. The City covenants that, to the extent permitted by the Constitution and laws of the State of North Carolina, it will comply with the requirements of the Internal Revenue Code of 1986, as amended (the “Code”) as required so that interest on the City’s obligations under the Contract will not be included in the gross income of BAPCC.

9. The City hereby represents that it reasonably expects that all subordinate entities thereof and all entities issuing obligations on behalf of the City will issue in the aggregate will be more than $10,000,000.00 of tax exempt obligations (not counting private-activity bonds except for qualified 501(c)(3) bonds as defined in the Code) during calendar year 2018. The City hereby designates the Contract and its obligations under the Contract as a “non-qualified tax-exempt obligation” for the purpose of the Code.

SUBJECT: Naming the Multi-Sports Complex

BACKGROUND: The City of Goldsboro is completing construction of an eight (8) field multi-sports complex and has solicited sponsorships to support the facility.

DISCUSSION: The agreement states the naming rights will be granted for 15 years. Also, over the next 10 years, the Bryan Foundation has agreed to contribute $300,000 for naming rights at the Multi-Sports Complex. The first payment in the amount of $50,000 will be made on or before the agreement is executed. In years two through four, payments of $50,000 will be made on each anniversary date. The remainder of the payments will be $10,000.00 per year beginning on the fifth anniversary and continuing in the same amount through the ninth anniversary. At the conclusion, the total sum of $300,000.00 will have been paid.

RECOMMENDATION: By motion, adopt the resolution naming the Multi-Sports Complex at 501 S. Oak Forest Drive the Bryan Multi-Sports Complex with a contribution from the Bryan Foundation in the amount of $300,000 and authorize the Mayor and City Clerk to execute an agreement on behalf of the City of Goldsboro.

MULTI-SPORTS COMPLEX NAMING AGREEMENT

This Multi-Sports Complex Center Naming Agreement is entered into this ___ day of March, 2018, by and between the City of Goldsboro, a political subdivision of the State of North Carolina (the "City") with a business address at P.O. Drawer A, Goldsboro, North Carolina 27533; Attn.: City Manager (with a copy to the City Attorney at the same address) and the R.A. Bryan Foundation, Inc., a North Carolina corporation ("Bryan Foundation") with an office address at P.O. Box 919, Goldsboro, NC 27533.

WITNESSETH

WHEREAS, the City has proposed the design and construction of a multi-use sports complex (the "Sports Complex") to be located on the real property described on Exhibit A (all of such property and the improvements thereon being defined as the "Project"); and

WHEREAS, Bryan Foundation, desires to make a meaningful contribution to the cultural and recreational life of the City by contributing a significant amount of money toward the construction and completion of the Project; and

WHEREAS, the City wishes to recognize the contribution of the Bryan Foundation by naming the new Project and complex in honor of the family that founded and continues to operate said foundation and to acknowledge the Bryan family's commitment to the civic and recreational life of the community, the City and the State of North Carolina;

NOW THEREFORE, in consideration of the above premises and of the covenants contained herein, and for other valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of this Agreement and shall remain in full force and effect for fifteen (15) years (the "Term").

2. **Bryan Foundation's Contribution.** Bryan Foundation hereby agrees to contribute a total of Three Hundred Thousand and No/100 Dollars ($300,000.00) consisting of cash or other immediately available funds to the City from the Bryan Foundation and/or one or more of its subsidiaries or affiliated companies to be used toward the planning, design, and construction of the Project on the terms and conditions set forth herein as follows:

   2.1 The first payment of not less than Fifty Thousand and No/100 Dollars ($50,000.00) shall be made on or before the execution of this agreement.

   2.2 On or prior to the one (1) year anniversary of the date of this agreement, the second payment shall be made in an amount of Fifty Thousand and No/100 Dollars ($50,000.00), and then like payments shall be made on the second (2nd), third (3rd) and fourth (4th) anniversaries of
the date of this agreement in the same amount; and then payments shall be made in the amount of Ten Thousand and No/100 dollars ($10,000.00) beginning on the fifth (5th) anniversary of the date of this agreement and continuing in the same amount through the ninth (9th) anniversary of this said agreement; at the conclusion of which the total sum of Three Hundred Thousand and No/100 Dollars ($300,000.00) would have been paid.

Notwithstanding anything to the contrary contained in this Agreement, the Bryan Foundation's obligation to make the contribution shall cease if the construction of the Project is abandoned prior to construction completion.

3. **Granting of Naming Rights; Other Agreements.**

   3.1 **Name.** In exchange for the contributions contemplated in this Agreement, the City shall cause the Project to be named "BRYAN MULTI-SPORTS COMPLEX" (the "Name") for said fifteen (15) year period. No additions, replacements, modifications, or changes to the Project shall result in a change or modification of the Name. For the avoidance of doubt, the Name shall apply to the entire Project; except as set forth below.

   3.2 **Other Agreements.** The City may enter additional naming agreements for the amenities and individual structures, including but not limited to: individual athletic fields, playground areas, bathhouses, shelters, facilities, amenities, etc. within the Project.

   3.3 **Construction and Maintenance of Complex.** The City shall construct the Project substantially in accordance with the schematic drawing previously provided to the Bryan Foundation. Bryan Foundation shall be allowed the opportunity to consult on any modifications to the schematic drawing or any design or construction drawings created for the Project. The City shall keep and maintain the Complex and all other aspects of the Project in a first-class condition.

   3.4 **Media.** In furtherance of its agreements above, during the Term of this Agreement the City shall, to the extent it is within its power, use its best efforts to cause or permit or to make no objection to, as the case maybe, the following:

   3.4.1 All promotions and advertisements, whether on television or radio, in print, posters, flyers, newspapers, websites, social media or other media shall refer to the Project as Bryan Multi-Sports Complex.

   3.4.2 All video promotions for events at the Project placed or controlled by the City shall include both audio and visual identification of the Bryan Multi-Sports Complex.

   3.5 **Granting of Other Naming Rights.** Areas within the Project that have other names shall not dilute the significance of the Project name of Bryan Multi-Sports Complex. The Bryan Foundation shall be given at least seven (7) days prior notice to the entering into of any such naming agreement and be given the opportunity to provide comments to such agreements during such seven (7) day period. The Bryan Foundation will have the right to enter into naming
agreements for areas within the Project on the same basis as others are given.

4. **Signage.** To the extent within its control, the City agrees to use its best efforts to cause or permit or make no objection, as the case may be, with respect to the following:

   4.1.1 All interior signage in the Project that refer to the complex or Project in general shall reflect the Name (for the avoidance of doubt, other signage that refers to specific fields, amenities and/or facilities shall not be subject to this sentence).

   4.1.2 Any exterior signs allowed by the law and in close proximity to the Project shall contain the Name; and may contain other names as herein stated.

The location of any signage with the Name shall be a collaborative effort with the Bryan Foundation designee having the right to approve such location. The graphic logo of the Name shall be a collaborative effort with the Bryan Foundation designee having the right to approve such graphic logo. As used herein, the "Bryan Foundation designee" shall initially be Stephen C. Bryan but can be changed by written notice from the Bryan Foundation to the City.

5. **Renaming by Bryan Foundation.** Notwithstanding anything to the contrary contained herein, the Bryan Foundation may change the "Bryan" in the Name to add other related family names (e.g., to "Bryan-Smith Multi-Sports Complex") or to recognize the corporate name of the Bryan family, T.A. Loving Company, or any subsidiary or affiliate (e.g., to "T.A. Loving Multi-Sports Complex"). The Bryan Foundation shall reimburse the City for any costs or expenses in connection with any such renaming requested.

6. **Use of Fields, Facilities and Amenities.** Subject to availability, the City shall allow the Bryan Foundation to use fields, facilities and/or amenities at the Project that are generally made available to the public. Such use shall be subject to the City's rules and regulations generally applicable to such fields, facilities and/or amenities.

7. **Agreement to Cooperate.** The parties agree, upon request of the other, to execute, acknowledge and deliver such further documents or instruments and perform such further acts as may be necessary, desirable or appropriate to carry out more effectively the purposes of this Agreement.

8. **Default.** In the event that either party fails to perform any of its material obligations under this Agreement, or if any material representations, warranties, or covenants made by either party are untrue or incorrect, OR if any actions and/or omissions on the part of an immediate member of the Bryan family shall engage in conduct which is criminal, of disrepute, immoral or any other act or omission that would cause the Bryan family name to be diluted or besmirched then such shall be deemed default by the Bryan Foundation; and the other party shall notify the offending party in writing of the default, breach or misstatement and the offending party shall have thirty (30) days in which to cure said default, breach or misstatement. Neither party's action in pursuing any remedy hereunder will act to deprive that party of the right to pursue any other remedies available to him or
9. **Representations and Warranties of the City.** The City hereby represents and warrants to the Bryan Foundation that:

9.1 **Due Organization, etc.** It is duly organized, validly existing, and in good standing under the laws of North Carolina with the full power and authority to carry on its business as it is now being conducted.

9.2 **Authority to enter this Agreement.** It has full power, authority and legal capacity to enter into this Agreement and to consummate the transactions contemplated in this Agreement, and the execution and delivery of, and performance under, this Agreement does not conflict with or violate any provision contained in its Charter, Resolutions, Bylaws or Ordinances, or with any provision of any other agreement, instrument, judgment, or order of law to which it is a party or to which it is bound. The City has not granted any other person or organization any rights or privileges with respect to the naming of the Project inconsistent with this Agreement.

10. **General.**

10.1 **Entire Agreement.** This Agreement sets forth the entire Agreement and understanding of the parties relating to the subject matter herein and, except as otherwise contemplated herein, supersedes all prior agreements, written or oral, relating to the subject matter thereof.

10.2 **Modification and Waiver.** No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless it is in writing and signed by authorized representatives of both parties.

10.3 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of North Carolina. The venue of any legal action by either party concerning or in any way pertaining to this Agreement shall be Wayne County, North Carolina. The State of North Carolina shall have personal jurisdiction over the parties for all matters arising from or related to this Agreement.

10.4 **Relationship of the Parties.** Nothing herein contained shall be construed to make the parties partners, joint venturers, employer and employee, or principal and agent.

10.5 **Severability.** If any part of this Agreement is deemed unenforceable or voided as a matter of law, the remainder of the Agreement shall remain in full force and effect, and shall be construed and given effect to the maximum extent permitted by law.

10.6 **Binding Effect; Assignment.** This Agreement shall be binding on, and inure to the benefit of the heirs, executors, and administrators of Bryan Foundation, and the successors and assigns of the City. The City and the Bryan Foundation agree that neither shall assign its rights or obligations under this Agreement without the consent of the other; provided, however, that the Bryan Foundation may transfer its rights in this Agreement to any subsidiary or affiliate or any entity into which the Bryan Foundation is merged or that purchases all or
substantially all of its assets without the consent of the City.

10.7 **Headings.** Section headings and captions in this Agreement are included for convenience and reference only and do not constitute a part of this Agreement for any other purpose.

10.8 **Notice.** All notices and other communications required or permitted under this Agreement shall be in writing and shall be deemed given when delivered personally, by overnight courier, or five (5) days after being deposited in the United States mail, certified, return receipt requested. All notices shall be addressed to the addresses set forth in the first paragraph of this Agreement or to such other address as to which notice has been given in accordance with the provisions hereof.

10.9 **Trademark.** This Agreement does not give the City the right to use the trademark or other intellectual property of Bryan Foundation or any of its subsidiaries or affiliated companies or any trademark or other intellectual property of the Bryan family.

IN WITNESS WHEREOF, the undersigned have caused this Agreement to be executed as of the day and year first above written.

SUBJECT: Setting Public Hearing
Revision of Chapter 151-Flood Damage Prevention Ordinance

BACKGROUND: The purpose of the Flood Damage Prevention Ordinance is to promote the public health, safety and general welfare and to minimize public and private losses due to flood conditions in specific areas.

DISCUSSION: The City was notified of new standards for the National Flood Insurance Program by the Federal Emergency Management Agency. The new standards concern new flood maps that were produced through a partnership between the State and the Federal Emergency Management Agency. The North Carolina Division of Emergency Management has revised the North Carolina Model Flood Damage Prevention Ordinance to meet new language requirements related to the use and adoption of the new maps and to comply with the North Carolina Flood Act of 2000.

The City’s Flood Damage Prevention Ordinance has been revised by the Engineering Department in accordance with the State’s Model Flood Damage Prevention Ordinance.

The City must adopt the revised Flood Damage Prevention Ordinance and have it approved by FEMA’s regional staff by June 20, 2018 to avoid suspension from the National Flood Insurance Program.

RECOMMENDATION: By motion, set a public hearing for May 21, 2018 for the hearing of concerned citizens and considering adoption of the revised Flood Damage Prevention Ordinance.

AGENDA MEMORANDUM
APRIL 16, 2018 COUNCIL MEETING

SUBJECT: Professional Engineering Services for Water and Wastewater System Improvements

BACKGROUND: The City of Goldsboro was awarded a $3,610,000 DWSRF loan from the NC Division of Water Infrastructure in March 2018 to undertake water system improvements in the City. The proposed scope of improvements includes 17,800 feet of water line replacements and the addition of a booster pump station. The objective of the work is to replace aging infrastructure and resolve pressure issues within the system.

The City of Goldsboro was awarded a $1,235,100 CWSRP loan from the NC Division of Water Infrastructure in March 2018 to undertake wastewater system improvements in the City. The proposed scope of improvements includes 3,370 feet of 8-inch, 12-inch, and 36-inch gravity sewer rehabilitation, rehabilitate 15 manholes, and replacement of 25 service laterals. The objective of the work is to replace aging infrastructure and resolve I/I issues within the system.

DISCUSSION: The Engineering Department provided a request for qualifications concerning the provision of professional engineering services relating to the preliminary design of water and wastewater system improvements. The proposals addressed furnishing professional engineering services for preparation of preliminary engineering report and environmental assessment.

Withers-Ravenel submitted a proposal for engineering services pertaining to water system improvements only. The Wooten Company submitted proposals for water and wastewater system improvements for a total cost not to exceed $50,000 for the preliminary engineering report and environmental assessment. The additional costs associated with the design and bid documents will be presented at a later meeting.

The City’s Policy for Selection of Professional Services, Procurement of Supplies, and Contracting for Construction Repairs was used for evaluating the proposals. The following factors were considered:

a. Engineer’s demonstrated understanding of municipal real property systems for facilities such as streets, buildings, utilities, etc. and knowledge of the applicable
city, state, and federal statutes and regulations governing their construction and or design.

b. Prior experience of the Engineer comparable to capabilities needed for the project under consideration.

c. Education, skill and ability of specified person(s) in the firm who will be performing the technical services comparable to the capabilities needed for the project under consideration.

d. Contract price.

e. Time responsiveness to accomplish the project under consideration.

f. Amount of back-up expertise in case of sickness or incapacitation of key personnel.

Engineering staff reviewed proposals and based on the expertise and knowledge required for both water and wastewater projects, the Wooten Company is recommended to provide professional engineering services for both projects.

We have reviewed the financing of this project with the Finance Director and determined that the operating budget for the 2017-18 Fiscal Year does not contain sufficient monies to award this engineering agreement. A budget ordinance and reimbursement resolution is required for the financing of this project.

RECOMMENDATION: It is recommended that the City Council:

1. Adopt the attached Budget Ordinance appropriating $50,000 from the unassigned fund balance of the Utility Fund.

2. Since the water and wastewater projects will not be finalized until December 3, 2018, it is necessary that the attached reimbursement resolution be adopted declaring the City’s intent to use those funds for repayment to the City.

3. Adopt the attached Resolution authorizing the Mayor and City Clerk to execute a professional services agreement for an amount not to exceed $50,000 with The Wooten Company for professional engineering services required for water and wastewater system improvements.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GOLDSBORO, NORTH CAROLINA DECLARING ITS INTENTION TO REIMBURSE THE CITY OF GOLDSBORO, NORTH CAROLINA FROM THE PROCEEDS OF THE FINANCING FOR THE WATER AND WASTEWATER SYSTEM IMPROVEMENTS

WHEREAS, the City of Goldsboro, North Carolina (the “Issuer”) is a political subdivision organize and existing under the laws of the State of North Carolina; and

WHEREAS, the Issuer will pay monies for the Water and Wastewater System Improvements; and

WHEREAS, the City Council of the Issuer has determined that these monies being advanced to that date hereof are available only for a temporary period and it is necessary to reimburse the Issuer for the expenditures from the proceeds of the installment financing;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Goldsboro, North Carolina that:

1. The City Council hereby declares the Issuer’s intent to reimburse the Issuer with the proceeds of the installment financing for the expenditures with respect to the Water and Wastewater System Improvements in the amount of $50,000.

2. Each expenditure will be either (a) of a type properly chargeable to capital account under general federal income tax principles (determined in each case as of the date of expenditure), (b) a cost of issuance with respect to the purchase, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the Issuer so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the Issuer.

3. The maximum principal amount of the installment purchase is expected to be approximately $50,000.

4. The Issuer will make a reimbursement allocation, which is a written allocation by the Issuer that evidences the Issuer’s use of funds to reimburse an expenditure, no later than 18 months after the later of the date on which the expenditure is paid or the project is placed in service or abandoned, but in no event more than three years after the date on which the expenditure is paid. The Issuer recognizes the exceptions are available for certain “preliminary expenditures”, costs of issuance, certain de minimis amounts, expenditures by “small issuers”, (base on the year of issuance and not the year of expenditure) and expenditures for construction project of at least five years.

This Resolution is effective upon its adoption this ___ day of ______________, 2018.

SUBJECT: FEDERAL PROPERTY FORFEITURE PROGRAM
STATE CONTROLLED SUBSTANCE TAX REMITTANCE

BACKGROUND: The United States Department of Justice administers a program that transfers from the Federal Government property seized by local law enforcement agencies and the State of North Carolina administers a program whereby taxes are levied on unlicensed individuals involved in the arrest of such individuals. The property obtained through the United States Department of Justice has been confiscated during drug raids or other undercover operations and may include personal items such as vehicles or money. The State of North Carolina allocates a share of taxes collected to localities involved in the arrest of individuals and the seizure of their controlled substances.

DISCUSSION: Based on State of North Carolina guidelines, Substance Tax Remittance funds totaling $2,096.32 can be reimbursed to the City for:

The Human Resources Department posted 23 job vacancies and processed 266 applications. 169 notices were sent to applicants not selected for an interview and 12 notices were sent to applicants interviewed but not selected for hire. New hire orientation was held March 6 at City Hall Annex. Ten employees attended the session. Six new hires came on board this month: three full-time: Julian Carlisle (Operator I, Water Treatment); Michael Langley (Cemetery Supervisor, Public Works) and Herman Worthington (Utility Maintenance Technician, Public Works) and three part-time: James Gentry – Custodian (Paramount); Sarah Macut-Martin (Administrative Assistant I, Downtown Development), and Hayden Ware (Club House Assistant, Golf Course). There were five resignations: three full-time – Jonathan Chestnut (Police Officer); Elizabeth Rutland (Business & Property Development Specialist, Downtown Development), and Elijah Slater (Police Officer) and two part-time – Jessica Bylsma (Office Assistant, Downtown Development) and Darren Young (Building Attendant, Paramount). There was one retirement: Linwood Battle (Equipment Operator, Public Works – Streets/Storms). Human Resources staff attended job fairs at Lenoir Community College, Mount Olive University, NC Central University, and the March to Work Job Fair in Fayetteville. Several representatives from the City also attended the Wayne County Middle Schools Career Fair sponsored by the Wayne County Chamber of Commerce. Total employment for March: 547 (456 full time and 91 part-time).

The Wellness Campaign is underway. Committee members were asked to take their ideas to their departments and provide feedback at the next meeting. Plans are also being made for this year’s health and wellness fair. The City has been enrolled in Health Fair Connections in order to increase participation and secure more vendors. Invitations have also been sent to last year’s vendors. The new benefit booklets arrived early March and are being distributed to full-time new hires. The benefits booklet is now available on the intranet. Staff is preparing for the City’s annual recognition of our administrative support staff. A luncheon will be held in their honor on Administrative Professionals’ Day, which is April 25.

This month’s health beat was Hearing Conservation. 148 employees participated. The nurse administered 75 TB skin tests. CPR Training was held March 8 and 15. 20 employees attended the sessions. There were 60 clinic visits this month.

• Trained administrative personnel on the Capital Improvement Plan submission and Personnel Action Form submission features of the in-house developed software CoDa.
• Went live with electronic Capital Improvement Plan submission via the in-house developed software CoDa.
• Compiled and submitted necessary documents for the FY 18-19 Budget and Capital Improvement Plan to the Finance Department.
• Photographed the Child Abuse Proclamation Ceremony and distributed photographs to City Social Media sites to spread awareness.
• Flew the drone above City owned streams to get an aerial view of any obstructions caused by branches or debris. Footage will be used by the Public Works Streets and Storms Division so they can properly address the issues and pinpoint the locations more efficiently. This should expedite their work on clearing debris.
• Did weekly drone flights at the multi-sports complex site to show the construction progress.
• Flew drone above the Water Reclamation Facility to get images to make comparisons of the ponds at the plant last year vs their current status.
• Upgraded .NET Framework on all Police MDTs to facilitate use of Spillman updates.
• Assisted the Inspections Department in creating new 2018 ABC License Renewal Letters.
• Finished working with vendor for the meter exchange process to allow for the addition of new water meters and the conversion to gallons.
• Installed two new security cameras to create the Police Department’s Internet Exchange Site.
• Completed the migration of Code Enforcement to the latest version of Energov.
• Setup a test environment for the next version of Energov to allow for testing and preparation for our next upgrade that will occur over the summer.
• Upgraded the email filter used to filter City email accounts.
• Setup League Scheduling software for Parks and Recreation.

**March 2018 Monthly Report**
Report prepared by: Michael Wagner

Water Reclamation Facility

The Water Reclamation Facility operations are proceeding smoothly. The average daily flows for March were 9.97 MGD. The Equalization Basins #3, #4, & #5 Enhancement Study has begun, and is expected to take approximately four (4) months. All of the city's 26 pump stations are operating well with ongoing repairs due to Hurricane Matthew.

Water Treatment Plant

The Water Treatment Plant operations are proceeding smoothly.

Compost Facility

Six hundred and eighty-six cubic yards of compost/mulch was sold in March 2018. The Compost Facility is running smoothly.

Historical data for water and sewer volumes are in million gallons per day (MGD) and are average daily flows for each month.

PLANNING DEPARTMENT
MONTHLY REPORT – MARCH, 2018

Prepared by: Sally Johnson

General Tasks
During the month of March, the Planning staff reviewed and signed off on all commercial and residential building and
sign permits. Staff continues to prepare for upcoming meetings and has overseen contracted projects for the MTP
Update, a marketing contract for GWTA and landscaping maintenance for Welcome to Goldsboro signs. On-going
projects include tree and stump removal, preparation of transportation-related documents and preparation of case
reports. Work has continued on having case files scanned into the City’s system. The City received 8 hours of
Community Service work. Code Enforcement is now issuing $25.00 parking violation tickets within the downtown area
or upon notification elsewhere in the City. During the month of March, four tickets were issued. Four tickets were paid
in March.

WA Foster was the site for the Jerry Johnson Basketball Classic on March 24th in which 200 people attended. Parks and Rec also hosted the annual Easter egg hunt this year in partnership with Bethel Church. This turned out to be a great partnership as our event drew +2,000 people to Herman Park to hunt 15,000 eggs. In addition, Herman Park Staff implemented a new Toddler Tumbling program that has created excitement in the community.

Travel & Tourism Department
Monthly Report – March 2018
Prepared by: Ashlin Glatthar

- 102 inquiries were fulfilled for the month of March by the TTO, 68 incoming phone calls, and 53 visitors to the office.
- Total hotel revenue generated in February was $1,341,625, which is down -22% YOY. March earnings not released yet.
- For the month, TTO Facebook page has had 120 new page likes. Posts have reached over 70,000 people with an audience that is 60% non-local and 40% local. Instagram page has 40 new followers. Twitter page has gained 1 new follower. Radio advertisements’ impressions exceeded 5,500 for regional listeners.
- On March 1-3, Ashlin attended the events of grand opening of the Maxwell Center, inviting videographers from the ad agency to capture b-roll to use for future promotional tools.
- TTO attended the annual state tourism conference, Visit NC 365, in Winston-Salem March 3-5 to learn about marketing coop programs through the state office, continuing education session, and networking opps with other tourism offices and suppliers.
- Ashlin continues to work with the Strategic Planning Committee to develop the objectives and initiatives of the plan.
- Ashlin met with City and County Managers on several occasions in March to discuss a hotel study for the Maxwell Center.
- TTO coordinated a meeting with City Manager, Mayor, Downtown, and Parks & Rec about the digital content sourcing company called Crowd Riff, which uses new technology to source and store user-generated pictures from hashtags and geolocation technology embedded in social media platforms. Instead of the City telling people what all Goldsboro has to offer them, it provides a way for people to tell our story for us, debunking the perception there’s not a lot to do in Goldsboro.
- Ashlin has held conference calls with the NCYSA office in preparation for the Kepner Cup April 28-29, and she visited the NCYSA office in Greensboro on March 22 to meet their leadership and build relationships.
- Ashlin met with her ad agency to discuss strategy and media plan for the FY 2018-19 budget. Ashlin submitted the proposed department budget on time March 16th.
- TTO initiated weekly Kepner Cup meetings at Herman Park to pass on the hosting responsibilities to Tyler Ham and his Parks & Rec team. The city met with Wayne United Soccer Club on March 14th to ensure we work together to provide a positive experience for visiting teams.
- TTO attended the NC Poultry Festival planning meeting on March 17th to discuss creating a non-prof status for the festival to protect the event and grow it. The plan to roll out the non profit for the 2019 year. The committee approved the national country music artist, Jerrod Niemman, to headline the festival. He has millions of social media followers that could draw a larger crowd to the festival.
- Ashlin attended the Mountains-to-Sea Trail Conference in Elkin March 22-24 to learn about the conference and trail developments in hopes to craft a competitive bid in the next RFP process.
- TTO, City Manager, and County Manager received approval and funding to authorize the Hotel Market Study with HVS. TTO will begin working closely with firm to conduct the study.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
APRIL 16, 2018 COUNCIL MEETING

SUBJECT: Z-3-18 Berkeley Realty Holdings – Northeast corner of Berkeley Boulevard and Langston Drive

BACKGROUND: The applicant requests a rezoning to allow the addition of a car wash operation as an allowable use within the General Business Conditional District zone.

On March 6, 2017, Council approved a rezoning for the subject property, along with two additional adjacent lots to the north, from O&I-1 and R-16 to General Business Conditional District. At that time, the use for the property allowed for the construction of a “multi-tenant commercial center” with separate approval required for development plans.

Conceptual plans were displayed at time of rezoning which included a multi-tenant commercial building on three lots with access from both Berkeley Boulevard and Langston Drive. Only the two southern lots are now included within this request.

Frontage: 200 ft. (Berkeley Boulevard)
185 ft. (Langston Drive)
Area: 0.85 acres

Surrounding Zoning: North: Shopping Center
South: R-16 Residential
East: GBCD and O&I-1 CD
West: O&I-1 CD

Existing Use: Both lots are occupied by existing houses.
Proposed Use: As indicated, the applicant requests the addition of a car wash as an allowable use for the property.

Land Use Plan Recommendation: The City's adopted Land Use Plan designates this property for commercial development.

DISCUSSION:

The submitted site plan indicates a proposed 3,500 sq. ft. building placed parallel to Berkeley Boulevard with full driveway access from Langston Drive. An exit-only driveway is proposed along Berkeley Boulevard and will require approval from NCDOT. Driveway permits must be obtained prior to construction.

Hours of operation are being proposed at Monday thru Sunday 8:00 a.m. to 8:00 p.m. with four employees expected to be associated with the proposed car wash. Vehicles will not be permitted to enter the property after the closing time of 8:00 p.m.

Water and sewer lines are available to serve the property from Langston Drive and the property is not located within a special flood hazard area. Grading and drainage plans are under review and are subject to staff approval prior to issuance of a building permit.

The proposed one-bay automated car wash requires a total of 1 space per 2 employees, plus an area capable of stacking six vehicles measured from the main entrance. The site plan shows 6 parking spaces along with 19 spaces dedicated as vacuuming stations. Adequate stacking of cars is available as vehicles will access the site from Langston Drive and travel west along the rear of the property to funnel into two travel lanes before accessing the one bay car wash. The applicant is requesting a modification of the interconnectivity requirement due to proposed traffic circulation for the site.

The submitted landscape plan indicates a 10 ft. Type A buffer along the northern property line and will contain combinations of Oaks, Cherries, Privet and Hollies.
A 20 ft. Type C buffer is required along the eastern property line adjacent to residentially-developed property. A 6 ft. wood privacy fence is being proposed along with supplemental landscaping to allow the reduction of the opaque buffer by 50%. The landscaping will consist of combination of Oaks, Cherries, Privet and Hollies.

An 8 ft. wide street yard is proposed along Berkeley Boulevard and Langston Drive. Street Trees and Vehicular Surface Buffer Shrubs will be installed along Langston Drive and street trees along Berkeley Boulevard.

Vehicular Surface Area plantings will include Eastern Redbuds and Dwarf Yaupon Hollies. These plants are shown interspersed as interior plantings within end aisles.

Five ft. sidewalks have been shown along Berkeley Boulevard and Langston Drive. Staff is working with the applicant to ensure interior sidewalks are provided where necessary.

The proposed dumpster location will be screened as required by the Unified Development Ordinance with gates for proper access to dumpster. The applicant is requesting a modification for the dumpster to be located within the Type A 10 ft. wide landscape buffer.

A lighting plan has been submitted for review and meets the requirements of the Unified Development Ordinance.

Proposed building elevations have been submitted. The exterior of the structure will consist of glass panels and a combination of split-face masonry block and stacked stone.

At the public hearing held on March 19, 2018, no one appeared to speak either for or against the request.

The Planning Commission, at their meeting held on March 26, 2018, recommended approval of the rezoning to allow an amendment to permit the addition of a car wash operation as an allowable use within the General Business Conditional
District zone and the submitted development plans with the following modifications:

1. Modification of interconnectivity; and
2. Modification to allow the dumpster to be located within the Type A landscape buffer.

On April 2, 2018 Council deferred action on the request.

RECOMMENDATION: By motion, accept the recommendation of the Planning Commission and:

1. Adopt an Ordinance rezoning the property from General Business Conditional District to General Business Conditional District to permit a car wash operation as an allowable use within the General Business Conditional District zone.

The request would be consistent with the adopted Comprehensive Land Use Plan which designates the subject property for commercial development.

2. Approve the submitted site, landscape and building elevation plans with the following modifications:

a. Modification of interconnectivity; and
b. Modification to allow the dumpster to be located within the Type A landscape buffer.
