Homebuyer Assistance Program Policy. Policy Adopted. The City receives federal funds to administer CDBG and HOME programs to assist low to moderate income persons with housing and non-housing needs. Policy and procedures for the Homebuyer Assistance Program were last adopted by Council on November 19, 2007. As part of the City's Homebuyer Assistance Program, eligible low to moderate income persons may receive down payment and closing costs assistance associated with the purchase of a single-family dwelling located within the city limits of Goldsboro, and for principal reduction to increase buyer affordability. Due to updates in HUD's federal regulations pertaining to the Homebuyer Program, it was necessary for the Community Relations and Development Department to make necessary revisions to the program's policy and procedures.

Revisions are minor, however, the one that stands out is the amount of assistance each applicant will receive. On November 19, 2007, Council moved to approve an increase of the maximum amount of assistance from \$10,000 to \$30,000. The Community Relations and Development Department seeks to serve more applicants with the program and is asking Council to consider the maximum amount of assistance to be set at \$20,000 per applicant.
