The City Council of the City of Goldsboro, North Carolina, met in a Work Session in the Large Conference Room, City Hall Addition, 200 North Center Street, at 6:00 p.m. on April 20, 2020 with attendance as follows:

Present: Mayor Chuck Allen, Presiding
Mayor Pro Tem Bill Broadaway
Councilmember Antonio Williams
Councilmember Taj Polack
Councilmember Brandi Matthews
Councilmember David Ham
Councilmember Gene Aycock
Ron Lawrence, Attorney
Tim Salmon, City Manager
Melissa Capps, City Clerk

Call to Order. The meeting was called to order by Mayor Allen at 6:00 p.m.

Adoption of the Agenda. Councilmember Aycock made a motion to adopt the agenda. The motion was seconded by Councilmember Ham. Mr. Tim Salmon stated I would like to add a Resolution authorizing the application for the North Carolina Water Infrastructure Additional Supplemental Appropriations for Disaster Relief Act, 2019 to the agenda. Councilmember Aycock made a motion to include the addition of the proposed amendment, Mayor Pro Tem Broadaway seconded the motion and it carried unanimously. Mayor Allen called for a vote on Councilmember Aycock’s motion to adopt the agenda which was seconded by Councilmember Ham. All members voted in favor of the motion.

Electronic Meeting Rules of Procedure. Councilmember Matthews stated as a Council we have encouraged our residents to stay home. The Governor issued a Stay at Home Executive Order, I think that as elected officials we should follow suit, if we can still effectively handle city business, which I think we can. We were insured by the city manager and IT Department that we can do, we can still have virtual meetings and be just as effective. So, that is something I really want the board to consider. It is safety for us as well, I mean we are supposed to be 6 feet apart and I don’t think I am six feet from the councilmember to my right or left. I looked at the draft, I looked at the Rules of Procedure but I did not see anything about public comment. I think if we are going to have virtual meetings, we can go back to letting the public speak at both of our meetings.

Councilmember Polack stated I agree. The last vote I think we had, when it was stated or misrepresented by some that I, I can’t speak on anyone else’s behalf, but if my vote was a way to censure or take someone’s freedom of speech, that was not the intent. You know I had stood on that side of the podium on many occasions, I think like she just stated, we are looking at it from a physical standpoint, as far as having as much physical interaction that we should have if there is a way to listen to the concerns of the community, we should have a way to do it virtually. I think the biggest way to solicit ideas is for one not to wait to the first or third Monday but to be a part of the community and being in your community. I’ve gotten a lot of calls, been outside in the community soliciting ideas of what we could do and the consensus is we should find a way to do it virtually and we should then be able to open it up to both meetings.

Councilmember Williams stated I have spoken with a lot of elected officials in other communities, they are using Zoom or Microsoft Teams and from what they explained to me with Zoom it is an upfront fee of $1500 and its unlimited not only can it be used for our Council Meetings but say for instance if other Councilmembers want to have a town hall meeting there’s basically 10 spaces available that would be licensed under our contract, where Mr. Mayor if you wanted to hold a town hall you could do that, other councilmembers could as well. Its 24 hours of support and its online virtual training too. I think it is a good idea.
Councilmember Aycock asked if we go to it, could we make it optional whether or not we attend the physical meeting or do it by virtual.

Mr. Salmon stated yes, you can come in if you like, or dial in. We would use Webex, we already have the software. We have department head meetings held virtually.

Councilmember Matthews stated my only concern is if you call in over the phone, there are some things you cannot vote on, where the physical body can, but you on the phone cannot. I do not think any of us would not want our vote to count but I also wanted us to consider the safety of each other. And also we are encouraging our residents to do something that we are not doing ourselves.

Mayor Allen stated I like to meet here. I like the interaction of talking to you and I don’t get that as much on Zoom. I think we are on the downside of this and I think it would only be for 1, 2, or 3 meetings. It is the same thing with limiting the public speaking, what he said was, as long as there is an epidemic going on, we would do that and after that we would go back and look at it. We did not change it for a long period of time, the way I remember the motion.

Council discussed COVID-19.

Attorney Lawrence stated the draft in participation is in a “may” format. It would not require everybody to participate electronically, whoever wanted to be here physically could still be here. It allows you to participate electronically, if you wanted to.

Mayor Allen asked if someone does attend electronically can they vote.

Attorney Lawrence stated the way it is drafted is because of quasi-judicial matters, like the hearing you are going to have tonight, whether it is the School of Government or the AG’s office, everyone feels like you need to have at least four people present, we have seven, so at least a majority present physically for a quorum when there is a quasi-judicial matter coming before you to be heard.

Councilmember Matthews stated I’m saying do the whole operation virtually. We made a really quick decision to eliminate our public comment and public hearings to once a month. We did that quick, even when we had safety precautions. I enjoy this too, nothing like being in the physical. I am not going to stay home and not let my one vote, one voice to be heard and counted. I do not think we should even consider if some can be here and some cannot.

Councilmember Ham stated I also like the presence of people, council people for interaction purposes. I would like to see us continue a council meeting at this site with a minimum of the quorum present. If someone feels like they do not want to be here, that could be there option. Myself, at this point in time, as far as pandemic is concerned, I prefer to meet here physically.

Councilmember Matthews stated with that being said, we need to make the proper adjustments in this room.

Discussion continued regarding the number of people in the room and the Governor Executive Order.

Councilmember Polack made a motion to adopt the Rules of Procedure for Electronic Meetings of Goldsboro City Council. Councilmember Williams seconded the motion. Mayor Allen, Councilmembers Williams, Polack, Matthews and Aycock voted in favor of the motion. Mayor Pro Temp Broadaway and Councilmember Ham voted against the motion. The motion carried 5:2.

NC League of Municipalities Voting Delegate. Mr. Tim Salmon shared during the CityVision Conference each year, cities elect a voting delegate to vote on the Board of Directors for the upcoming year.

The League’s CityVision 2020 annual conference has been cancelled in response to the state’s Coronavirus response. This year, the League will host a Virtual Summit on May 28, 2020.
During the CityVision Virtual Summit, League members can attend the annual business meeting where the new Board of Directors will be announced.

Council discussed. Council’s consensus was to authorize the City Manager to be the voting delegate at the CityVision Virtual Summit to be held on May 28, 2020.

**Resolution Authorizing the Application for The North Carolina Water Infrastructure Additional Supplemental Appropriations For Disaster Relief Act, 2019 (Asadra). Resolution Adopted.** Mr. Mike Wagner, Public Utilities Director stated back in November 2019, we had about $34 million of projects for sanitary sewer identified; one of those was replacing the force main at the Big Cherry pump station.

The Federal Clean Water Act Amendments of 1987 and the North Carolina the Water Infrastructure Act of 2005 (NCGS 159G) have authorized the making of loans and grants to aid eligible units of government in financing the cost of construction of a wastewater collection system project. The City of Goldsboro has need for and intends to construct an improvement to the sanitary sewer conveyance system that is comprised of the little cherry pump station, big cherry pump station and corresponding force main. On Feb. 12, 2020, the State Water Infrastructure Authority approved the priority rating system to be used for projects eligible for Additional Supplemental Appropriations for Disaster Relief Act funding and conditions for applying principal forgiveness to funded projects for the full amount of the loan up to $3,000,000. The City of Goldsboro intends to request state loan and/or grant assistance for the project and accept or reject in compliance with the City of Goldsboro Grant Management Policy, June 6, 2014.

Mayor Allen asked what moves this project to the front.

Mr. Wagner stated that force main is already failing, there is I&I coming into the force main.

Councilmember Williams asked if there was someone within the city that could do the grant application.

Mr. Wagner stated this application is due on the 30th. The proposal from WithersRavenel is for $5,000, I believe is money well spent, this is what they do.

Upon motion of Mayor Pro Tem Broadaway, seconded by Councilmember Polack and unanimously carried, Council adopted a resolution authorizing the application for the North Carolina Water Infrastructure Additional Supplemental appropriations for Disaster Relief Act, 2019.

**RESOLUTION NO. 2020-27 “RESOLUTION AUTHORIZING THE APPLICATION FOR THE NORTH CAROLINA WATER INFRASTRUCTURE ADDITIONAL SUPPLEMENTAL APPROPRIATIONS FOR DISASTER RELIEF ACT, 2019 (ASADRA)”**

**Consent Agenda Review.** Each item on the Consent Agenda was reviewed.

Mayor Allen asked that staff include discussion of the Summer Youth Employment Initiative on the work session agenda for the first meeting in May.

There being no further business, the meeting recessed until the 7:00 p.m. meeting.

**CITY COUNCIL MEETING**

The City Council of the City of Goldsboro, North Carolina, met in regular session in Large Conference Room, City Hall Annex, 200 North Center Street, at 7:00 p.m. on April 20, 2020 with attendance as follows:

Present: Mayor Chuck Allen, Presiding  
         Mayor Pro Tem Bill Broadaway  
         Councilmember Antonio Williams  
         Councilmember Taj Polack
Councilmember Brandi Matthews
Councilmember David Ham
Councilmember Gene Aycock

The meeting was called to order by Mayor Allen at 7:00 p.m.

Councilmember Taj Polack provided the invocation. The Pledge of Allegiance followed.

Approval of Minutes. Upon motion of Mayor Pro Tem Broadaway, seconded by Councilmember Polack and unanimously carried, Council approved the Minutes of the Work Session and Regular Meeting of March 16, 2020 as submitted.

Non-contiguous Annexation Request – Renu-Life Extended, Inc. Located on the northeast side of Windsor Creek Parkway between Wilshire Way and Wayne Memorial Drive consisting of 3.0778 acres. Public Hearing Held. Ordinance Adopted. The City Council, at their meeting on March 2, 2020 scheduled a public hearing for April 20, 2020 for the proposed annexation of the subject property. A public hearing notice was properly advertised stating the time, date, place and purpose of the meeting.

Pursuant to G.S. 160A-58.2, at the public hearing all persons owning property in the area proposed to be annexed, as well as the residents of the municipality, shall be given an opportunity to be heard on the proposed annexation.

If the Council determines that the proposed annexation meets all the requirements of G.S. 160A-58, it has the authority to adopt an annexation ordinance.

In addition to those requirements the City Council, adopted a policy, which allows annexation of noncontiguous areas subject to a number of requirements. The requirements governing noncontiguous annexations are as follows:

a. The area is located within one mile of the established city limit line;
b. The City’s ability to contract for the provision of fire and police protection.
c. In no instance shall a noncontiguous area have an adverse effect upon the City’s overall annexation plans.

As indicated in the report, the area proposed for annexation meets all of the above items.

Mayor Allen opened the public hearing. No one spoke and the public hearing was closed.

Upon unanimously carried, Council adopted the following entitled ordinance annexing the Renu Life Property effective April 30, 2020.

ORDINANCE NO. 2020-9 “AN ORDINANCE ANNEXING CERTAIN NONCONTIGUOUS REAL PROPERTY TO THE CITY OF GOLDSBORO, NORTH CAROLINA”

Consent Agenda - Approved as Recommended. City Manager, Timothy Salmon, presented the Consent Agenda. All items were considered to be routine and could be enacted simultaneously with one motion and a roll call vote. If a Councilmember so requested, any item(s) could be removed from the Consent Agenda and discussed and considered separately. In that event, the remaining item(s) on the Consent Agenda would be acted on with one motion and roll call vote. Councilmember Williams moved the items on the Consent Agenda, Items C and D be approved as recommended by the City Manager and staff. The motion was seconded by Councilmember Polack and a roll call vote resulted in all members voting in favor of the motion. The items on the Consent Agenda were as follows:

Resolution to Suspend In-person Attendance of the Public to Formal Bid Openings during the State of Emergency due to the Coronavirus Pandemic (COVID-19). Resolution Adopted. North Carolina G.S. §143-129 “Procedure for letting of public contracts” requires formal bidding when there is an expenditure of public money more than $500,000 for
construction or more than $90,000 for equipment and supplies. Part of that procedure requires that the sealed bids be opened in public.

COVID-19 has caused unprecedented challenges for public entities to comply with statutory obligations.

Governor Cooper issued a State of Emergency to respond to the Coronavirus (COVID-19) on March 20, 2020. On March 27, 2020, Governor Cooper issued Executive Order 121 “Stay at Home Order and Strategic Directions for North Carolina in Response to Increasing COVID-19 Cases” which limits gatherings to no more than 10 people, and establishes exceptions for Essential Businesses and Operations which includes governmental operations.

The City currently has a formal bid, FB 2020-002 Wastewater System Improvements, set to open on April 21, 2020 at 2:00 p.m. Staff could not delay the opening due to certain milestones that must be met in order to comply with the grant requirements.

It is recommended the Council approve the following entitled resolution to suspend in-person public attendance to formal bid openings during the coronavirus pandemic, and to implement alternate procedures to ensure that the spirit of public bid opening remains intact. Consent Agenda Approval. Williams/Polack (7 Ayes)

RESOLUTION NO. 2020-28 “A RESOLUTION TO SUSPEND IN-PERSON PUBLIC ATTENDANCE TO FORMAL BID OPENINGS DURING THE CORONAVIRUS PANDEMIC”

Departmental Monthly Reports. Accepted as Information. The various departmental reports for March 2020 were submitted for the Council’s approval. It was recommended that Council accept the reports as information. Consent Agenda Approval. Williams/Polack (7 Ayes)

End of Consent Agenda.

City Manager’s Report. Mr. Tim Salmon thanked public servants for the continuing support of services being provided. He also reminded the public that if they are looking for updates on the Corona virus, you can go to our city website, the coronavirus tab will get you to many other sites as well whether it is the North Carolina Department of Health or the Center for Disease Control.

Mayor and Councilmembers’ Reports and Recommendations.

Councilmember Aycock stated no comment.

Councilmember Ham stated no comment.

Councilmember Matthews stated no comment.

Councilmember Polack stated I wanted to thank the work of the Salvation Army this past week by filling in for the schools food distribution. Want to thank all the restaurants, church volunteers that serve the community. I also want to thank those organizations that continue to serve. I want to acknowledge the new graduates of the Goldsboro Fire Department. I’m kinda biased to this. I think they have entered the best job they want to have as they sacrifice their lives to help others. I want to wish them the best of luck, thank you.

Mayor Pro Tem Broadaway stated I wanted to thank all the people over at Wayne Memorial Hospital, all the people working double shifts right now. Especially the people working on the 7th floor. Our city employees, all those people that are out there, you see them all the time. And also, all the volunteers, it’s amazing the number of people that are providing food all over this city and I would like to thank them. It’s a wonderful effort. I hope ever body will be safe. I was at the parking lot at Lowes this afternoon and I saw the parking lot was full and one person was wearing a mask. We’ve got to be better than that.
Councilmember Williams stated he wants to thank all the selfless people in our community that have cared about others. I read in the paper about this young lady, how she was putting meals together for the truckers and I appreciate what she’s doing. I also want to thank Councilwoman Matthews for thinking about our downtown seniors with the support of Rebuilding Broken Places. We both delivered food today to the residents of Waynesborough House and I thank you, there are wonderful seniors there. I want us also to pray for our local prison here and the employees there. There is an outbreak there and we really should be concerned about them. Also, I pray that you and your families are safe and well too. I lost a family member a few days ago to COVID-19. She was a nurse, she was a chief transportation inspector and while doing that, she used those funds to put herself through nursing school. And while still being a nurse, she became a top realtor. On Easter morning, she lost her fight with COVID-19. But she was still nursing others until she was admitted in the hospital. She had faith and I am thankful for all that are recovering. Please take this pandemic seriously. God bless you, thank you.

Mayor Allen stated like everyone else, I want to thank all of our frontline employees at the health department, the hospital, our folks; our police, our fire, our public works, everybody is really coming to the forefront to try to help others and that’s great. I want to thank our citizens, they have done a pretty good job at staying at home and working with us and I know they are getting tired if this. I am sure they are and hopefully we are on the downside of this. I don’t know that but I can at least hope that. I just want to thank everybody. For anybody at home that hasn’t filled out your census, now would be a great time to fill out your census.

There being no further business, the meeting adjourned at 7:10 p.m.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
MAY 18, 2020 COUNCIL MEETING

SUBJECT: PUBLIC HEARING
CU-3-20 Jerry Futrell – East side of US 117 South between Arrington Bridge Road and South George Street (Increase in electronic gaming machines from 50 to 100 for existing Internet Cafe)

BACKGROUND: An internet cafe was previously approved for 20 gaming machines at this location on September 3, 2013. On June 2, 2014, City Council denied a request to increase the number of gaming machines from 20 to 35 based on requiring 2 parking spaces per machine.

On August 4, 2014, the Council approved a parking ordinance amendment to the City’s UDO requiring 1.5 parking spaces per machine. In addition, they approved the previous owner’s request to allow an increase in the number of gaming machines from 20 to 35.

The previous owner closed the business in March of 2016 upon order from the District Attorney’s office. Once software upgrades were installed and in compliance with State law, he reapplied for a Conditional Use Permit to operate an internet cafe in accordance with the City’s Unified Development Ordinance. City Council approved site, landscape and floor plans for the previously approved 35 gaming machines on January 3, 2017.

On May 8, 2017, City Council amended the City’s Electronic Gaming Ordinance. The following requirements were approved as they pertain to new gaming establishments proposed for operation in the City of Goldsboro’s planning jurisdiction:

(1) Electronic gaming operations are permitted only in the General Business (GB) zoning district after the obtainment of a Conditional Use Permit approved by City Council.

(2) No establishment shall be located within five hundred (500) feet of any residentially zoned or developed property, church, school, day care, playground or public park. Where the proposed establishment is separated from residentially zoned or developed property by a four-
DISCUSSION:

lane highway, the five hundred (500) foot separation shall only apply to the properties along the sides and rear of the establishment.

(3) No such establishment shall be located within one mile (5,280 ft.) of another such establishment.

(4) The hours of operation for such operations shall be limited to 7:00 a.m. to 2:00 a.m.

On February 3, 2020, City Council approved a request by the applicant to amend a Conditional Use Permit for the operation of an internet café to increase the number of gaming machines from 35 games to a maximum of 50 gaming machines. 52 existing paved parking spaces were available to serve the site.

The applicant contended that the City's commercial parking ordinance requiring 1.5 parking spaces per gaming machine was excessive based on the fact that only one customer could operate one gaming machine at any one time.

Now, the applicant is requesting to amend an existing Conditional Use Permit for the operation of an internet café to increase the number of gaming machines from 50 to 100.

Frontage: 454.3 ft. (US 117)
Area: 97,220 sq. ft., or 2.23 acres
Zoning: General Business
Hours of Operation: 10:00 a.m. to 2 a.m. (7 days)
No. of Employees: 2 (17 employees; maximum 2 per shift)

Site and landscape plans for this operation were previously approved with Conditional Use Permit #CU-16-16. The following modifications were also approved:

a. Rear yard landscape buffer due to grade separation at railroad tracks.

b. Vehicular surface buffer at front due to existing paving and public right-of-way;

c. Street tree requirement; and

d. Distance from residentially zoned property from 200 ft. to 125 ft.
Parking: As previously stated, parking is required at 1.5 space per gaming machine. Currently, there are 52 paved parking spaces to serve the site. 150 parking spaces are required. The applicant is proposing to pave an additional 50 parking spaces for a total of 102 parking spaces. Previous parking modifications have been granted by City Council for electronic gaming operations at one (1) space per gaming machine. A modification from 150 to 102 parking spaces will be necessary.

RECOMMENDATION: No action is necessary. The Planning Commission will have a recommendation at the June 1, 2020 Council Meeting.

CITY OF GOLDSBORO  
AGENDA MEMORANDUM  
MAY 18, 2020 COUNCIL MEETING  

SUBJECT: Change Order No. 18-Revised for Phase IV Sewer Collection Rehabilitation - Formal Bid No. 2018-004  

BACKGROUND: Construction change orders in excess of $10,000 require approval by the City Council prior to City Manager approval. 

T. A. Loving Company submitted a total cost of $140,330 for Change Order No. 18-Revised (see attachment) to perform ditch bank stabilization improvements to the Big Ditch near Beech/Kornegay Street Apartments. 

Proposed Change Order No. 18 previously totaled $125,000 and was submitted in October 2019 for approval by Division of Water Infrastructure (DWI). The City recently received approval from DWI to perform the ditch bank improvements. The difference in costs pertains to additional costs charged by the subcontractor to perform this work. 

DISCUSSION: This change order increases the contract time by 15 days. The additional contract time was included in the previous Change Order No. 22. The amended contract completion date for the remaining rehabilitation work is September 9, 2020. 

Staff recommends issuing the change order to the current contract with T. A. Loving for the Phase IV sewer collection rehabilitation project. We have reviewed this change order with the Finance Director and determined that funds are available from the Clean Water Revolving Fund Loan. 

RECOMMENDATION: It is recommended that the City Council, by motion, adopt the attached resolution authorizing the City Manager to execute Change Order No. 18-Revised for $140,330 with T. A. Loving Company.

CITY OF GOLDSBORO  
AGENDA MEMORANDUM  
MAY 18, 2020 COUNCIL MEETING

SUBJECT: 42nd Annual Greater Goldsboro Road Run—Temporary Street Closing

BACKGROUND: An application was received from the Scott Edwards, requesting permission for the Sunrise Kiwanis Club to hold their 42nd Annual Greater Goldsboro Road Run on April 18, 2020. Council approved the application on January 21, 2020. Due to COVID-19, this event has been postponed to July 11, 2020. The street closing request is from 6:00 a.m. to 10:30 a.m. with the event times from 8:00 a.m. to 10:00 a.m.

DISCUSSION: The race is scheduled to begin at the HUB (formerly known as Cornerstone Commons), on Center Street and runs through the downtown area of Walnut, Pine, Jefferson, Ash, Chestnut and Mulberry Streets.

Police, Fire, Public Works and Downtown Goldsboro offices have been notified of this request.

Staff recommends approval of this request subject to the following conditions:
1. NC Governor Executive Order allows the event as determined by the City Manager.
2. All intersections remain open for Police Department traffic control.
3. A 14-foot fire lane is maintained in the center of the street to provide access for fire and emergency vehicles.
4. All activities, changes in plans, etc. will be coordinated with the Police Department.
5. The Police, Fire, Public Works and Downtown Goldsboro offices are to be involved in the logistical aspects of this event.

RECOMMENDATION: It is recommended that the City Council by motion, grant street closings on Center, Walnut, Ash, Jefferson, Chestnut and Mulberry Streets on July 11, 2020 from 6:00 a.m. to 10:30 a.m. in order that the 42nd Annual Greater Goldsboro Road Run event may take place, subject to the above conditions.

AGENDA MEMORANDUM
COUNCIL MEETING
MAY 18, 2020

SUBJECT: Adoption of a Supplement to the Code of Ordinances of Goldsboro, North Carolina

BACKGROUND: In 1990, an agreement was reached between the North Carolina League of Municipalities and the City of Goldsboro to engage American Legal Publishing Company to revise the Code of Ordinances of Goldsboro. The revised Code was published in 1995.

DISCUSSION: The agreement stated that American Legal Publishing Company would prepare supplements for incorporation of new Ordinances to the City Code of Ordinances on a recurring basis. In compliance with this agreement, the City has received the S-44 Supplement. This Supplement contains all Ordinances of a general nature enacted since S-43 Code of Ordinances dated June 3, 2019.

RECOMMENDATION: By motion, adopt the attached Ordinance enacting and adopting the 2020 S-44 Supplement to the Code of Ordinances of the City of Goldsboro.

Date: May 12, 2020

(1) Offer an organization through which the youth of our community may benefit both themselves and their community;

(2) Provide equal opportunity for each young person to assume responsibility with the adults of the community;

(3) Serve as a means for young people to practice democracy in order to better prepare themselves for later responsibilities as citizens and serve as a line of communication between the youth and the adults of our community;

(4) Initiate programs and projects that are of benefit to the youth and to our community; and

(5) Constructively channel the enthusiasm of the young people of the city.

(B) Membership; appointment; term. The Council shall be composed of 30 high school students, to be drawn from the public and private high schools in Wayne County. The principal of each school shall determine the method for nominating his or her school’s student representatives. The final selection of representatives shall be the responsibility of the Advisor, based upon established criteria. The term of office shall be for a period of one year, and each Youth Council member will continue to serve until his successor has been selected.
(C) **Coordinator.** The Coordinator for the Council shall be an employee of the city appointed by the City Manager. The Coordinator shall serve as an ex-officio member of the Council acting as a liaison between the City Manager, City Council and the Youth Council. The Coordinator shall submit to the Youth Council such plans, programs and recommendations that fall within the purpose and duties of the Council.

(D) **General Assembly membership.** The general assembly will consist of representatives from community youth groups. The number will be based on the sizes of the groups. Its purpose is to serve as a line of communication between the youth organizations and to discuss, investigate, and vote on proposals as they effect the youth population.

(E) **Staff services.** The Community Relations Department shall supply staff and technical services for the Council.
(Ord. 2018-8, passed 2-19-18)

§ 32.323 GOLDSBORO MUNICIPAL GOLF COURSE COMMITTEE.

(A) **Purpose and duties.** The Municipal Golf Course Committee shall:

(1) Recommend ways to improve and enhance the quality of customer service and overall appearance of the golf course; and

(2) Review club house operations and overall maintenance and upkeep of the golf course.

(B) **Membership; appointment.** The Committee shall be composed of seven members. Any resident living within the city, within the one-mile jurisdiction of the city or outside the city and the one-mile, but within Wayne County, is eligible to serve as a member of the Committee.

(C) **Staff services.** The Parks and Recreation Department shall supply staff and technical services for the Committee.
(Ord. 2018-8, passed 2-19-18)

§ 32.324 PARKS AND RECREATION ADVISORY COMMISSION.

(A) **Purpose and duties.** The Commission shall serve as a citizen advisory commission to the City Council, City Manager and Parks and Recreation Department. The Commission may recommend and propose to the City Council, City Manager and Parks and Recreation Department any matter relating to recreational policies, programs, operational procedures, park development, facility planning, maintenance, budget preparation, the need for additional personnel, the acquisition and disposition of lands, and properties related to such recreation programs, and such other matters as the Parks and Recreation Director shall find advisable or essential to receive consideration by the Commission and such other matters as may be requested by any Council member.

CHAPTER 76: GOLF CARTS

Section

76.01 Regulation of golf carts
76.02 Rules and regulations for the operation of golf carts
76.99 Penalty and enforcement

§ 76.01 REGULATION OF GOLF CARTS.

(A) Necessity. The establishment of a golf cart ordinance is necessary to address the interests of public safety. Golf carts, are not designed or manufactured to be used on public streets, roads and highways, hereinafter “road(s),” and the City of Goldsboro in no way advocates or endorses their operation on roads. The city, by regulating such operation is merely trying to address obvious safety issues, and adoption of this article is not to be relied upon as a determination that operation on roads is safe or advisable if done in accordance with this article. All persons who operate or ride upon carts on roads do so at their own risk and peril and must be observant of and attentive to the safety of themselves and others, including their passengers, other motorists, bicyclists, and pedestrians. The city has no liability under any theory for permitting carts to be operated on roads. Any person who operates a cart must procure liability insurance on a par with that required for motor vehicles.

(B) Purpose. The purpose of this ordinance shall be to establish a golf cart ordinance within the City of Goldsboro to promote the health, safety and welfare of persons operating cart(s) within the city and to protect the safety of their passengers and other users of roads.

(C) Definitions. For the purpose of this chapter, the following words and phrases shall have the following meanings.

DRIVER’S LICENSE. A valid license issued to operate a motor vehicle issued by North Carolina or any other state.

FINANCIAL RESPONSIBILITY. Liability insurance coverage on a golf cart in an amount not less than required by North Carolina law for motor vehicles operated on public highways in the State of North Carolina.

GOLF CART. A four-wheel vehicle designed and manufactured for operation on a golf course for sporting or recreational purposes and that is not capable of exceeding speeds of 20 MPH (G.S.
20-4.01(12a)). Vehicles resembling golf carts which exceed this speed capacity must be registered with the NC Department of Motor Vehicles, in which case they will essentially be regulated as an automobile, and otherwise such vehicles will not be allowed on public streets.

**OPERATOR.** Only persons 16 years of age and older holding a valid driver’s license may operate a golf cart on roads.
(Ord. 2019-29, passed 6-2-19)

§ 76.02 RULES AND REGULATIONS FOR THE OPERATION OF GOLF CARTS.

This section is to establish guidance in the interest of public safety. Hereinafter:

(A) (1) The owners of golf carts, not including similar vehicles which have been registered with the state and have a license plate, must obtain a permit from the city. Such permit is valid for one year only and must be renewed annually. The permit fee is $25, and the permit shall be granted once the owner has provided the following items and information:

(a) The full name of the owner and his or her address and telephone number;

(b) A copy of the owner’s driver’s license;

(c) Proof of insurance covering the golf cart for injury to persons and property on an equal level to that required for NC registered motor vehicles;

(d) The names, addresses and ages of the persons authorized by the owner to drive the golf cart, and a copy of their driver’s licenses.

(2) A copy of the permit shall be on the golf cart at all times when it is used on public streets.

(B) Golf carts shall not be operated on or alongside a public road or street with a posted speed limit greater than 25 miles per hour.

(C) Golf carts may cross a road with a posted speed limit greater than 25 mph at a duly erected traffic control signal (such does not include stop signs or yield signs, but is intended that crossing be at duly erected traffic stoplights/control signals only). However, once this segment of road has been traversed, the golf cart is still required to travel only on or along a roadway with a speed limit of 25 mph or less. Golf carts must cross in a manner that is the most direct route in order to decrease crossing distance, i.e. no riding along a road or crossing at an angle. Under no circumstance is a golf cart allowed to cross a controlled access facility (such as an interstate) other than by means of bridges which cross over or under a controlled access facility.
(D) Any person who operates a golf cart must be responsible for all liability associated with operation of the golf cart and must have liability insurance coverage which will cover the use of a golf cart in an amount not less than required by North Carolina law for motor vehicles operated on public highways in the State of North Carolina. Proof of such insurance shall be readily available on the golf cart.

(E) Any person who operates a golf cart must be at least 16 years of age or older. No person may operate a golf cart unless that person is licensed to drive upon the public streets, roads and highways of North Carolina and then, only in accordance with such valid driver's license. Golf cart operators must carry their driver's license on their person at all times while operating a golf cart on public roads.

(F) Any person who operates a golf cart on public streets and roads must adhere to all applicable state and local laws, regulations and ordinances, including but not limited to those banning the possession and use of alcoholic beverages, and all other illegal drugs. In addition, no golf cart containing any open container of alcohol shall be operated on public roads.

(G) The operator of the golf cart shall comply with all traffic rules and regulations adopted by the State of North Carolina and the city which governs the operation of motor vehicles.

(H) An operator may not allow the number of people in the golf cart at any one time to exceed the maximum capacity specified by the manufacturer. The operator shall not allow passengers to ride on any part of a golf cart not designed to carry passengers, such as the part of the golf cart designed to carry golf bags.

(I) In no instance shall a golf cart be operated at a speed greater than 20 miles per hour. No golf cart may be operated at a speed greater than reasonable and prudent for the existing conditions.

(J) Golf carts must be operated at the right edge of the roadway and must yield to all vehicular and pedestrian traffic.

(K) Golf carts must park in designated spaces in such a manner that multiple golf carts can utilize the space. All parking rules and limits apply. No parking on sidewalks is allowed.

(L) Golf carts must have basic and safety equipment supplied by the manufacturer, including a vehicle identification or serial number. Such equipment must include a rear view mirror and plainly visible rear reflectors.

(M) Golf carts without lights may be operated only during daylight hours. Golf carts meeting the requirements set forth below may operate at any time:

(1) Golf carts having two operating headlights, one on each side of the front of the golf cart and two operating tail lights, one on each side of the rear of the cart, all four lights must be visible from a distance of 500 feet; and
(2) If a mechanical turn signal indicator is not installed, then hand signals are required for turns.
(Ord. 2019-29, passed 6-2-19)

§ 76.99 PENALTY AND ENFORCEMENT.

Violation of the provisions of this chapter shall constitute an infraction in accordance with Chapter 20 of the North Carolina General Statutes, the maximum penalty for which shall be $150.
(Ord. 2019-29, passed 6-2-19)

CITY OF GOLDSBORO
AGENDA MEMORANDUM
COUNCIL MEETING
MAY 18, 2020

SUBJECT: Rules of Procedure for Electronic Boards and Commissions Meetings

BACKGROUND: As a part of the Act to Provide Aid To North Carolinians In Response to the Coronavirus Disease 2019 (COVID-19) Crisis, (S.L. 2020-3, SB 704) the General Assembly has enacted modifications to the laws governing meetings of public bodies, and voting and quorum rules for city and county governing boards. The new law modifies those rules and provides specific guidance regarding remote meetings, including quorum, notice, voting, public comment, and public hearings.

DISCUSSION: These provisions are in Section 4.31 of the Act. The new provisions for remote public meetings became effective on May 4, 2020, and only apply when there is a declaration of a state of emergency by the Governor or General Assembly under GS 166A-90.20.

RECOMMENDATION: By motion, adopt the attached Rules of Procedure for Electronic Boards and Commissions Meetings effective immediately.

Date: May 17, 2020

City Manager
RULES OF PROCEDURE
FOR ELECTRONIC BOARDS AND COMMISSIONS MEETINGS

As a part of the Act to Provide Aid To North Carolinians In Response to the Coronavirus Disease 2019 (COVID-19) Crisis, (S.L. 2020-3, SB 704) the General Assembly has enacted modifications to the laws governing meetings of public bodies, and voting and quorum rules for city and county governing boards. The new law modifies those rules and provides specific guidance regarding remote meetings, including quorum, notice, voting, public comment, and public hearings. These provisions are in Section 4.31 of the Act, (starting on page 61 in the PDF linked above). The new provisions for remote public meetings became effective on May 4, 2020, and only apply when there is a declaration of a state of emergency by the Governor or General Assembly under GS 166A-90.20. They aren’t triggered by city or county emergency declarations.

Remote meetings authorized and defined. The new law enacts GS 166A-19.24, which authorizes any public body to conduct remote meetings in accordance with the rules set out in the act, as well as with the provisions of the open meetings law. “Remote meeting” is defined as: An official meeting, or any part thereof, with between one and all of the members of the public body participating by simultaneous communication. “Simultaneous communication” is defined as: Any communication by conference telephone, conference video, or other electronic means. Official meeting and public body are defined as set out in the open meetings law.

Simultaneous communication requirements. When meeting using simultaneous communication in an official meeting, the method must allow for any member of the public body to hear what is said by the other members of the public body; hear what is said by any individual addressing the public body; and be heard by the other members of the public body when speaking to the public body. In other words, the person participating remotely must be able to hear and be heard throughout the meeting. The law also requires any members who are participating by simultaneous communication and can’t be seen by the public body to identify themselves when the roll is taken, when the remote meeting commences, prior to participating in deliberations (including making motions, proposing amendments, and raising points of order), and prior to voting.

Requirements for conducting remote meetings. As with all other official meetings of public bodies, the precise notice requirements that apply to an electronic meeting depend on whether the meeting qualifies as a regular, special, emergency, or recessed meeting. Prior to the new legislation, every electronic meeting notice had to specify the “location and means” whereby members of the public could listen to the meeting. GS 143-318.13(a). Under the new law, an electronic meeting notice issued during a state of emergency declared by the Governor or General Assembly must specify the means by which the public can access the remote “as that meeting occurs.” It doesn’t have to specify a physical location where members of the public can go to hear the meeting. This exception makes sense because, as we have seen, situations serious enough to trigger a gubernatorial or legislative emergency declaration can sometimes lead to restrictions on mass gatherings.
The remote meetings must be simultaneously streamed online so that simultaneous live audio, and video, if any, is available to the public. If the means of the remote meeting is a conference call, the public body can provide access by providing an opportunity to dial in or stream the audio live and listen to the meeting.

Minutes of remote meetings must reflect the use of simultaneous communication, which members were participating by simultaneous communication, and when those members joined or left the remote meeting.

The public body must comply with GS 143-318.13(c), which prohibits acting by reference such as deliberating, voting, or otherwise taking action upon any matter by reference to a letter, number or other designation, or other secret device or method, with the intention of making it impossible for persons attending a meeting of the public body to understand what is being deliberated, voted, or acted upon. This provision does not prohibit a public body from deliberating, voting, or otherwise taking action by reference to an agenda, if copies of the agenda, sufficiently worded to enable the public to understand what is being deliberated, voted, or acted upon, are available for public inspection at the meeting.

All documents to be considered during the remote meeting must be provided to each member of the public body.

All chats, instant messages, texts, or other written communications between the members of the public body regarding public business during a remote meeting are public records.

**Closed Sessions:** The new law allows public bodies to meet in closed session as authorized in GS 143-318.11, and makes it clear that a public body is not required to provide access to the remote meeting while it is in closed session. The public body must comply with all of the requirements in the new law and the open meetings law, including noticing an open meeting, allowing access to the open portion of the meeting, making a motion in open session to go into closed session indicating the provision that authorizes the closed session, preparing minutes and a general account, and coming out of closed session to continue the meeting or adjourn. Public bodies may want to consider developing strategies to protect confidential information when members are participating remotely.

**Public Hearings:** The new law authorizes public bodies to conduct public hearings during a remote meeting and take action based on those hearings. It adds a requirement that written comments may be submitted at any time between the notice of the public hearing and 24 hours after the public hearing. A consequence of this requirement is that the public body will not be able to take action on the matter immediately following the public hearing. It will have to take action at a later meeting or recess the meeting long enough to comply with the 24-hour requirement.

**Quasi-Judicial Evidentiary Hearings:** These evidentiary hearings are required when a decision involves due process rights, and require evidential testimony by the applicant and other people whose due process rights may be affected. These people have standing to testify and challenge
the final decision. The trial-like nature of quasi-judicial evidentiary hearings present difficult issues for remote meetings. The new law does, however, authorize the use of remote meetings for quasi-judicial, subject the following requirements:

- The right of an individual to a hearing and decision occur during emergency;
- All persons subject to the quasi-judicial proceeding who have standing to participate in the quasi-judicial hearing have been given notice of the quasi-judicial hearing and consent to the remote meeting;
- All due process rights of the parties affected are protected.

This provision raises some difficult issues. It may be challenging for the public body to identify all of the individuals who have standing in order to obtain their consent. A detailed definition of “Standing” for challenging local government quasi-judicial decisions can be found in GS 160A-393 (d). In some cases it may easy to identify people who have standing but in some cases, people with standing might not be identified until the hearing is under way. In addition, the time frame within which a quasi-judicial meeting may be held is subject to multiple interpretations. It’s not clear when the right “occurs.” Putting these issues aside, as described in Adam Lovelady’s blog post here, there remain many practical challenges and legal risks with conducting quasi-judicial hearings with remote participation.

**Quorum:** Local governments have struggled with the issue of whether members of a public body who are not physically present can be counted as present for purposes of a quorum. As I noted in a blog post here, this is mostly an issue for the governing boards of cities and counties due to the language in their quorum and voting statutes that make reference to members being present or physically present. For other public bodies, the open meetings generally law generally recognizes electronic meetings as official meetings. The new law modifies the city and county quorum statutes (GS 153A-43, GS 160A-73), making it clear that a member of any public body who is participating by simultaneous communication must be counted as present for purposes of a quorum as long the communication is maintained for that member. This means that during a state-level state of emergency, there is no requirement to have a quorum physically present at a remote meeting.

Both the city and county quorum statutes provide that if a member has withdrawn without being excused by a majority of the members present, the member is counted as being present for purposes of a quorum. This provision applies under the new law, but it’s not clear how it would work. If a person is participating with video, it would be possible for a person physically move out of the frame of the video and no longer being seen. Other situations are more difficult. What if the person is participating with audio only. If the person puts down the phone and walks away, it would difficult determine if the person is still present. As a practical matter, the presiding officer or any board members could ask the person to confirm that the person is still present. What if the person intentionally terminates the connection? In that case it appears that under the amended quorum rules, that person is no longer counted as being present. Similarly, if the person’s connection is severed due to technical issues, the person is no longer participating simultaneously and therefore no longer counted as present.
**Voting:** The new law provides that the vote of each member is to be counted as if the member physically present only as long as the simultaneous communication is maintained for that person. As noted earlier, under the new law, during a remote meeting all votes must be conducted by roll call. In addition, the new law provides that notwithstanding the authority in GS 143-218(b), no vote by secret or written ballots on paper or electronic may be taken in a remote meeting.

For city and county governing boards, the new law provides that the provisions of GS 153A-44 and GS 160A-75 (the voting statutes) apply. In addition, the new law modifies the voting statutes to provide that a vote or a failure by any member who is participating by simultaneous communication must treated as if the member were physically present. This applies only as long as the communication is maintained for that member.

**The default “yes” rule:** The city voting statute provides that if a council member is present, has not been excused from voting, and does not vote, the member is counted as voting yes. This is often called the default “yes” rule. Since all votes are roll call, and members participating with simultaneous communication must identify themselves before they vote, only those that have done so can vote. If a person has been identified as being present for the vote, but does not vote, it should be recorded as a yes. If a person is present but doesn’t identify him or herself, the person can’t vote, and if the person attempts to vote it should not count. If the person has terminated the communication before the vote, or if the person has lost communication due to technical problems, the person is no longer counted as present and cannot vote.

**Implications for Electronic Meetings After the State of Emergency:** With the onset of the pandemic, there was broad concern about the lack of clarity regarding the authority and procedures for remote and electronic meetings. In our earlier blog posts and advising for local government officials regarding we attempted to balance adherence to the statutory language and the need to protect the health and safety. The most difficult issues have been how to meet the quorum and voting requirements for city and county governing boards. For most other public bodies, the statutes and procedures are much more open to local policies. In addition, as set out in blog posts regarding strategies for electronic meetings, here and here, there are reasonable practices for electronic meetings that preserve the obligation of access and align with existing law. As noted in my earlier in this blog, the legislature has seen fit validate all the use of electronic means in meetings undertaken between March 10 and May 4.

COMMUNITY RELATIONS DEPARTMENT  
April 2020  
Prepared By: Shycole Simpson-Carter, Community Relations Director  
Date Prepared: May 18, 2020

• In light of COVID-19 and social distance requirements recommended by the Centers for Disease Control and Prevention (CDC) the following scheduled Boards and Commission meetings were canceled:
  
o Commission on Community Relations and Development meeting for Tuesday, April 14, 2020
o Mayor’s Goldsboro Youth Council meeting for April 1, 2020 and April 15, 2020 along with service projects scheduled for GYC to volunteer
o Mayor’s Committee for Persons with Disabilities meeting for April 17, 2020

• The Department received three (3) housing complaints and seven (7) requests for assistance. Description of said complaints were alleged two improper evictions complaints, one substandard housing complaint, seven seeking assistance with community information and public relations related to COVID-19. Complaints were submitted through the 311 GIS system or rerouted for resolution to the appropriate city department, designated community agency, or State resource. The Department developed a COVID-19 Community Resources List to assist residents.

• The Department launched the City of Goldsboro Summer Youth Employment Initiative Program; applications started being accepted on March 23rd to April 24th online only through the City's websites. Marketing consisted of articles in the Goldsboro News Argus, one month Goldsboro Daily News Tile Ad, social media and email blitz, and an extensive radio advertising campaign on 92.7 Jamz and WFMC. At the end of the closing date April 24th, the program received 32 applications and 4 businesses or organizations had indicated they would become a worksite this summer. The Department was informed by several businesses or organizations that due to COVID-19 they were concerned with becoming or would not become a worksite this summer. The Sponsoring Partners’ recommended suspending FY20 Summer Youth Employment Initiative Program and revisit facilitating a program next summer around January 2021.

• The Department launched two Goldsboro ConPlan and AI Surveys (Residents and Stakeholder). Marketing to the general public has consisted of social media and email blitz, digital article within the Goldsboro Daily News, and an upcoming advertisement within the Goldsboro News Argus. This is part of the citizen participation process to collect updated information on housing and community development needs in Goldsboro for the Consolidated Plan (ConPlan) and Analysis Impediments (AI) and to confirm that the community development and housing needs identified for the 2020-2024 Consolidated Plan are still applicable.

PUBLIC UTILITIES DEPARTMENT  
April 2020  
Prepared By: Michael Wagner  
Date Prepared: May 11, 2020

Water Treatment Plant
- The Water Treatment Plant operations are proceeding smoothly.
  - The plate settlers are expected to arrive in June and installation begin in June 2020.
    - 1-million gallon per day sump pump for filters is scheduled for May installation.
  - The annual conversion from chloramines to free chlorine is scheduled to take place May 6, 2020. This is expected to last five weeks while Public Works does annual flushing maintenance.

Water Reclamation Facility
- The Water Reclamation Facility operations are proceeding smoothly.
  - Aging U.V. System and filters are impeding best treatment practices and increasing operational costs.
  - The average daily flows for April were 8.60 MGD.
  - All of the city’s 26 pump stations are operating well.
    - With the exception of the 117 and Little Cherry pump station bar screens.
    - The obsolete telemetry system continues to be prepared for an upgrade.

Compost Facility
- Nine-hundred and twenty six cubic yards of compost and mulch was sold in April 2020.

Historical data for water and sewer volumes are in million gallons per day (MGD) and are average daily flows for each month.

Inquiries were fulfilled for the month of April by the TTO—213 e-inquiries.

Total hotel revenue generated in March was $1,542,292, which is down -29.2% YOY. April revenue not yet released.

For the month, TTO Facebook page had 80 new page likes. Instagram page has 41 new followers. Twitter page gained 10 new followers.

In response to COVID-19, TTO pulled its paid marketing efforts to postpone for later times when more appropriate to promote our destination. Instead, TTO is focusing on supporting local retailers, restaurants, and hoteliers with “how-to guides for dine/explore/shop while social distancing”.

TTO submitted its budget revisions for FY21, in response to the impacts of the virus on the travel/tourism/lodging industry. We are expecting to see a 30-40% decrease of revenues from hotel tax collections, which our budget submissions now reflect.

We have put together a 30-60-90 Day Plan of Action. Using the survey responses collected last month, we are crafting our “welcome back” media message now that we better understand where and when travelers are looking to go once travel restrictions ease and they feel comfortable. Responses indicate that folks have travel plans on the books for summer 2020 still, with fall 2020 being the most ideal booking window right now.

We are also putting together the media plan for the entire fiscal year ahead, prospecting sporting and meeting tournaments to bring to the area, and completed a successful Small Business Bingo in which nearly 50 people signed up to shop local for their chance to win a prize pack.

TTO is working with the Atlanta Economic Development Association office to understand if tourism offices are eligible for CARES Act funding set aside for economic development projects that will help destinations recover from the impacts of COVID-19.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
MAY 18, 2020 COUNCIL MEETING

SUBJECT: Neuse River Basin Regional Hazard Mitigation Plan

BACKGROUND: The Neuse River Basin Regional Hazard Mitigation Plan (RHMP) is currently being reviewed by the North Carolina Department of Public Safety (NCDPS). The existing plan expires on June 22, 2020.

DISCUSSION: In order to ensure continued compliance, FEMA has authorized communities to proceed with adoption immediately as the plan is considered a living document that is subject to change. Any changes resulting from NCDPS review will be incorporated into the final version of the plan.

The City of Goldsboro will need to adopt the plan through resolution. Adoption of the RHMP does not require an advertised public hearing. A resolution can be approved at a regular meeting so long as it is not part of the consent agenda.

RECOMMENDATION: It is recommended that the City Council, by motion, approve the attached resolution adopting the Neuse River Basin Regional Hazard Mitigation Plan.

Date: 7 May 20

Guy M. Anderson, P. E., City Engineer

Date: 12 May 20

Timothy M. Salmon, City Manager
RESOLUTION NO. 2020-
CITY OF GOLDSBORO
RESOLUTION ADOPTING THE
NEUSE RIVER BASIN REGIONAL HAZARD MITIGATION PLAN

WHEREAS, the City of Goldsboro is vulnerable to an array of natural hazards that can cause loss of life and damages to public and private property; and

WHEREAS, the County and participating municipal jurisdictions desire to seek ways to mitigate situations that may aggravate such circumstances; and

WHEREAS, the development and implementation of a hazard mitigation plan can result in actions that reduce the long-term risk to life and property from natural hazards; and

WHEREAS, it is the intent of the City of Goldsboro City Council to protect its citizens and property from the effects of natural hazards by preparing and maintaining a local hazard mitigation plan; and

WHEREAS, it is also the intent of the City of Goldsboro City Council to fulfill its obligation under North Carolina General Statutes, Chapter 166A: North Carolina Emergency Management Act and Section 322: Mitigation Planning of the Robert T. Stafford Disaster Relief and Emergency Assistance Act to remain eligible to receive state and federal assistance in the event of a declared disaster affecting the City of Goldsboro; and

WHEREAS, the City of Goldsboro actively participated in the planning process for the Neuse River Basin Regional Hazard Mitigation Plan and has prepared a regional hazard mitigation plan update with input from the appropriate local and state officials; and

WHEREAS, the North Carolina Division of Emergency Management and the Federal Emergency Management Agency have reviewed the Neuse River Basin Regional Hazard Mitigation Plan for legislative compliance and have approved the plan pending the completion of local adoption procedures;

NOW, THEREFORE, be it resolved that the City Council of the City of Goldsboro hereby:

1. Adopts the Neuse River Basin Regional Hazard Mitigation Plan; and

2. Vests the City Engineer with the responsibility, authority, and the means to:

   (a) Inform all concerned parties of this action.

   (b) Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map, and identify floodplain or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining floodplain and/or flood-related erosion areas in order to prevent aggravation of existing hazards.

3. Appoints the City Engineer to assure that, in cooperation with the other participating jurisdictions, the Hazard Mitigation Plan is reviewed annually and
every five years as specified in the Plan to assure that the Plan is in compliance with all State and Federal regulations and that any needed revisions or amendments to the Plan are developed and presented to the City of Goldsboro City Council for consideration.

4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the 2020 Neuse River Basin Regional Hazard Mitigation Plan.

Adopted this _____ day of ______________, 2020.

Neuse River Regional Hazard Mitigation Plan

The attached Resolution of Adoption relates to the Neuse River Regional Hazard Mitigation Plan. The Neuse River Plan involves Greene, Jones, Lenoir, Pitt and Wayne County, as well as all incorporated municipalities throughout the Region. The planning process was initiated early last year (2019), and will be completed following adoption by the Board of Commissioners followed by formal certification of the plan for the next five year cycle.

Development of the draft document involved a series of four Hazard Mitigation Planning Committee meetings, as well as two public input meetings. Each jurisdiction was represented by Staff, as well as two Citizen Stakeholders (CRS communities only). Attached are the draft strategies relating to the City of Goldsboro as well as the proposed Resolution of Adoption. A full copy of the draft plan, as well as materials associated with the planning process can be viewed through the following web link:

What is Hazard Mitigation?

“Hazard Mitigation is any action taken to reduce or eliminate the long-term risk to human life and property from natural hazards.” (44 CFR 206.401)
Hazard Mitigation Plan Requirement

Disaster Mitigation Act of 2000: 44 CFR 201.6/HMGP Grant Process:

- Communities are required to update their hazard mitigation plans every 5 years to remain eligible for federal disaster funding

- Any federally declared disaster in the State of North Carolina means the county and municipal jurisdictions in the Neuse River Basin Region are eligible to apply for funding

- Having an updated plan ensures that the county and municipal jurisdictions will be ready with mitigation project ideas whenever funding becomes available

MILITARY APPRECIATION MONTH
PROCLAMATION

WHEREAS, Our brave service men and women, their families, and their loved ones share in the support and sacrifices necessary for our freedom; and

WHEREAS, This proclamation marks the beginning of Military Appreciation Month, a month in which the Department of Defense and our grateful nation will honor the courage, commitment, and selfless service of our military; and

WHEREAS, Community members, businesses, military bases and posts, and other organizations are encouraged to recognize military members and their loved ones with special events such as family activities, community gatherings, sporting events, retail discounts, and other forms of special recognition throughout the entire month of May; and

WHEREAS, Military-connected non-profit organizations, veterans service organizations, and other military service providers, both public and private, are encouraged to band together to honor and serve our military families and their loved ones during the month of May.

NOW, THEREFORE, I, Mayor Chuck Allen, do hereby proclaim May 2020 as Military Appreciation Month, and officially recognize the many sacrifices made by our veterans, service members, wounded warriors, their families, and their survivors, as well as the vast network of organizations that serve these heroes across the state.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Goldsboro, North Carolina, to be affixed on this 18th day of May, 2020.

NATIONAL PUBLIC WORKS WEEK PROCLAMATION

WHEREAS, Public works services provided in our community are an integral part of our citizens’ everyday lives; and

WHEREAS, The support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as water, sewers, streets, highways, public buildings, and solid waste collection; and

WHEREAS, The health, safety and comfort of this community greatly depends on these facilities and services; and

WHEREAS, The quality and effectiveness of these facilities, as well as their planning, design and construction, are vitally dependent upon the efforts and skill of public works officials; and

WHEREAS, The efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people’s attitude and understanding of the importance of the work they perform.

NOW, THEREFORE I, Chuck Allen, Mayor of the City of Goldsboro, North Carolina, do hereby proclaim the week of May 17 - May 23, 2020 as

“NATIONAL PUBLIC WORKS WEEK”

in Goldsboro, North Carolina and do hereby call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort, and quality of life.

IN WITNESS WHEREOF, I hereunto set my hand and affixed the Seal of the City of Goldsboro, North Carolina, this 18th day of May, 2020.
