Call to Order. The meeting was called to order by Mayor Allen at 5:00 p.m.

Adoption of the Agenda. Councilmember Williams stated he would like to add to the agenda the addition of portable bathrooms downtown. Upon motion of Councilmember Williams, seconded by Councilmember Broadaway and unanimously carried, Council adopted the agenda with the addition of the discussion of portable bathrooms downtown.

Council Committee Appointments. Councilmember Williams shared concerns regarding his removal from the GWTA Board. He stated according to the Bylaws for GWTA they have not done their due diligence. If I am going to be removed from the board or if anyone is going to be removed from the board, you have to go through that process.

Mayor Allen stated the city attorney has heard your comments. He can take your comments under advisement and give his opinion. Mayor Allen stated Councilmember Williams could speak to other GWTA board members in the meantime.

Discussion continued regarding GWTA members. Councilmember Williams shared two county commissioners sit on the board, we have a city council and a city employee and
we need to change that. Mayor Allen stated today we feel comfortable with who we have on there.

Councilmember Williams stated how can you trust someone that would mislead the court, it was found that she lied in her testimony.

Councilmember Stevens asked if she had been convicted of perjury and Councilmember Williams replied if I would have asked her to be, she could have been charged with perjury but I was a bigger person.

Mayor Allen stated you have made new claims. We are going to ask Attorney Lawrence to go back and review to see if he agrees or disagrees with you regarding your removal from GWTA. As you know, there is an ongoing investigation and does not feel it is proper to discuss and I do not plan to discuss it. At this time we will not appoint a council representative until this is resolved.

Councilmember Foster asked who appoints the city person. Mayor Allen replied the city council does. After some discussion, Councilmember Foster suggested we go back to two councilmembers serving.

Mayor Allen stated I think we can look at that when we talk about appointments. Mayor Allen stated personally I think Shycole is a good person to have up there, she understands HUD, she understands the rules and regulations better than any of us, I feel sure. So I think that is why we put her up there to begin with, but if Council decides they want something different that’s up to Council. For tonight, we will table it, it will give everyone time to think about it and give Attorney Lawrence time.

Mayor Allen reviewed current appointments to the various council committees. Mayor Allen suggested they look at appointments after the GWTA matters are resolved.

**School Stipend Discussion.** Councilmember Foster proposed a 2 – 2.5% stipend for teachers who live in the city and work at Title 1 schools, or a 1 – 1.5% stipend for those who live outside the city and work at Title 1 schools.

Mayor Allen asked what that proposal might cost.

Mr. Guthrie replied based on the four schools that were mentioned it was about $100,000 per percent.

Mayor Allen asked if Councilmember Foster was talking about providing stipends for teachers at Goldsboro High School, Dillard Middle, Carver Heights, and North Drive.

Councilmember Broadaway stated since this is not budgeted at this time, he would like to discuss this at budget time and speak with the County on what they are planning to do, hold them accountable. Councilmember Broadaway stated he feels this is a slippery slope.

Council discussion continued.

Councilmember Foster made a motion to provide a 1.5% stipend to teachers who live outside of the city limits, a 2.5% stipend for teachers who live inside the city limits, who work at Goldsboro High School, Dillard Middle, Carver Heights, and North Drive. Councilmember Williams seconded the motion. Councilmembers Foster, Williams and Stevens voted in favor of the motion. Mayor Allen, Mayor Pro Tem Ham, Councilmembers Broadaway and Aycock voted against the motion. Mayor Allen stated the motion failed 3:4.

**Ash Street Extension Widening Project.** Ms. Jennifer Collins introduced Mr. Russell Broadwell. Ms. Collins shared information regarding the design concept for the Ash Street Widening Project from Berkeley Boulevard to Highway 70. The original concept was taking two lanes to four lanes with a divided median. City staff has met with
the school system and Seymour Johnson Air Force Base. The proposed design concept includes 3 round-abouts.

Councilmember Aycock asked what provisions would be made to assist the children crossing over from Greenwood. Mr. Broadwell replied we would recommend putting in a beacon style pedestrian signal to stop the traffic so the school children may cross.

Council consensus was staff could move forward with the design concept.

**Portable Bathroom for Downtown.** Councilmember Williams discussed the need to have temporary bathrooms downtown at The Commons until permanent restrooms are built. Council consensus was staff could proceed with a temporary bathroom at The Commons.

**Consent Agenda Review.** Each item on the consent agenda was reviewed. Additional discussion included the following:

**Item J. Herman Park Center Design-Build.** Councilmember Foster stated this is not a need, it’s a want and expressed concerns over debt. Staffing was discussed. Councilmember Foster requested the item be removed until they could talk to the county about sharing in the cost as county residents would also use the facility. Discussion continued.

Councilmember Williams made a motion to wait on this item until they could meet with or discuss this with the county commissioners. The motion was seconded by Councilmember Foster.

Mayor Allen asked Ms. Brown weren’t we exceeding expectations a WA Foster Center. Ms. Brown replied, yes, when we finished the new facility we began seeing more teenage girls come in. Mayor Pro Tem Ham asked do you see a significant percentage of county participation at city facilities. Ms. Brown stated over the years we have done several studies and on average it is a 60 – 40 split, 60% City and 40% County.

Mayor Allen called for a vote on the motion made by Councilmember Williams. Councilmembers Williams, Foster and Stevens voted in favor of the motion. Mayor Allen, Mayor Pro Tem Ham, Councilmembers Broadaway and Aycock voted against the motion. Mayor Allen stated motion failed 3:4.

There being no further business, the meeting recessed until the 6:31 p.m. meeting.

RESOLUTION NO. 2018-87 “A RESOLUTION AUTHORIZING THE CITY OF GOLDSBORO TO AWARD AND EXECUTE A CONTRACT WITH T. A. LOVING COMPANY FOR THE DESIGN-BUILD OF A NEW HERMAN PARK CENTER”

RESOLUTION NO. 2018-88 “RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GOLDSBORO, NORTH CAROLINA DECLARING ITS INTENTION TO REIMBURSE THE CITY OF GOLDSBORO, NORTH CAROLINA FROM THE PROCEEDS OF THE INSTALLMENT FINANCING FOR THE HERMAN PARK CENTER CONSTRUCTION”

Since late 2013, downtown merchants and customers have benefitted from the generosity of Mr. David Weil as he has allowed us to market his private parking lot located within the 100 block of South Center Street, commonly referred to as the Waynesborough House parking lot, for public use. This offer was made prior to the construction for the Center Street Streetscape project in 2015 as a way to address access and parking limitation issues. This offer was made verbally between city staff and the Weil family.

Since this time, the parking lot has benefitted many downtown businesses by providing accessible parking for their customers and employees in an area dense with businesses. We have marketed the lot and directed people to it for numerous occasions and events, including the NC Main Street Conference in 2016, Made on Main event, and all Paramount events, to name only a few. In fact, at the time the Downtown Parking & Traffic Study was conducted in 2015, the consultants counted this parking lot in the public parking availability counts. Without it, the deficit in this block would be relatively significant.

The City will be implementing the wayfinding signs as part of our 2016 Transportation Infrastructure Generating Economic Recovery Grant in 2019. This sign package includes signs directing traffic to public parking lots and provides a sign at the street/sidewalk edge acknowledging a parking lot for public use. It is planned to include the Weil/Waynesborough House Parking lot in this sign plan.

The parking lot needs improvements to complete a plan proposed by city staff to maximize the number of spaces it can provide and to improve its use. The plan approved by the City and Mr. Weil will result in 70 parking spaces and include three (3) handicap
spaces (see attached plan). City staff have conducted cost estimates based on the conditions and plan. The scope of the work consists of: micro-paving for the majority of the surface area, some concrete demolition and asphalt resurfacing in smaller portions where needed to maintain grade, lighting, signage, installation of steel bollards, parking space striping and other incidentals. The projected cost for this work (minus lighting) is $39,360.90.

In order for us to maximize this space for the use of our citizens and to assure its availability for public use, it is recommended that the City enter into an agreement with Mr. Weil that protects our ability to legally market it for public use and invest in its improvements. An agreement has been crafted that states the City will invest up to $20,000 towards these improvements, or half of the total cost, whichever is lesser, in return for our ability to market it and utilize it as a public parking lot. A recapture clause is included in the agreement that will allow the City to recapture this investment if the contract is broken at a pro-rated amount over the ten-year period (at most, $2,000 per year for every year that is less than the 10 years). After ten years, our investment in the improvements will have matured and the agreement will be fulfilled.

It is proposed to utilize the Municipal Service Tax District unappropriated fund balance to fund this expense. The current unappropriated fund balance is $71,573.00.

Staff recommended Council:

1. Adopt a Municipal Agreement, authorizing the Mayor to enter into an Agreement with Waynesborough Associates LLC (David Weil) for the use of the parking lot owned by Waynesborough Associates LLC located on, behind and beside the structures at 104 S. Center Street, and

2. Adopt the following entitled Budget Ordinance amending the 2018-19 fiscal year budget by:
   a. Decreasing the Unappropriated Fund Balance of the Municipal Service District in the amount of $20,000.00.
   b. Creating a line-item for this use in the Municipal Service District budget in the amount of $20,000.00. Consent Agenda Approval.

We have a lot of small businesses that are owned by Black families in this community, however we never see the dollars that we spend and this is collectively. There is $1.2 trillion dollars that Black American’s spend every year in this economy of the United States, however, they do not see it, it does not reflect it when you go into their businesses. So I am asking each and every one White, Black, Spanish, to go in and buy. Find a small Black business here and support them.

Councilmember Broadaway wished everyone a happy holiday. I would also like to thank the employees, this has been quite the year, and we have had two storms and other weather. It has been a hard year, thank you for what you do every day.

Councilmember Stevens wished everyone a Merry Christmas and happy holidays. Be safe and look out for one another. I don’t care what color you are, I don’t care what creed you are, just watch out for each other and take care of each other.

Mayor Pro Tem Ham stated just a quick note to thank the citizens of this city, having gone through two severe instances this year, we stood strong, came through as a community. We have some great city employees who support this city. Thank you for your support. Merry Christmas and Happy New Year.

We will absolutely continue forward, but I do want to thank them for their dedication and years of service. I want to wish everyone a happy and safe holiday season, remember those in need and if you can help someone you should. Please be aware of your surroundings and maybe shop with someone.
