

Public Records Policy and Procedure

I. Purpose

The purpose of this policy is to establish procedures for public access to public records. Records will be retained in accordance with the Municipal Records Retention and Disposition Schedule issued by the North Carolina Department of Cultural Resources. Each department has a copy of the schedule or it can be found on the internet at <http://www.ah.dcr.state.nc.us/records/local/>. If there is a question as to whether a document is open to the public, please consult the City's Public Records Policy or confer with your supervisor or the City's Attorney.

II. Definitions

Public records means all documents, paper, letters, maps, books, photographs, films, sound recordings, magnetic or other tapes, electronic data-processing records, artifacts, or other documentary material, regardless of physical form or characteristics, made or received pursuant to law or ordinance in connection with the transaction of public business by any agency of North Carolina government or its subdivisions. By statute, certain items are exempt from public access (see attachment). Personal notes are not considered public record.

Public records with short term value – Records of short term value may be destroyed or otherwise disposed of when their reference value ends. These include items such as fax cover sheets containing only transmittal, routing slips, reservations and confirmations, and preliminary or rough drafts once the final document is completed.

Custodian of the records means the official in charge of the office that holds the public record, typically the department head or assistant department head or his/her designee.

III. Procedures

- a. Requests for public records should be submitted in writing to the City Clerk. The request should include the name, address, and telephone number of the requesting party. The request must be specific enough to enable the custodian to provide the information.
- b. The City Clerk will forward the request to the responsible custodian. The City Clerk will notify the City Manager of the request.
- c. The custodian shall allow inspection of the requested records, provided that they are public. The custodian is responsible to ensure that non-public or

confidential records are excluded from the request. The viewing of public records may be done only during normal business hours.

- d. If copies are requested, copies must be provided to the requesting party. Paper copies will be \$0.25 per page. If mailing is requested, the cost of postage will be charged. The City will require prepayment if the total fees are estimated to exceed \$100.00.
- e. The custodian shall provide the requested information but shall not offer any explanation of the records.
- f. The custodian of the records shall respond to the request as promptly as possible, with the time frame for response dependent upon the complexity of the request.
