**Permit Application**  
**For Tents, Canopies and other Membrane Structures**

Section 2403.2: Tents and membrane structures having an area in excess of 200 square feet and canopies in excess of 400 square feet shall not be erected, operated or maintained for any purpose without first obtaining a permit and approval from the Inspections Department/Fire Code Official.  
Please note that some exceptions do exist.

Section 2402.4 Certification: An affidavit or affirmation shall be submitted when applying for a permit. The affidavit shall attest to the information relative to the flame propagation performance criteria of the fabric. A copy is also to be retained on the premises on which the tent or air-supported structure is located.

Address where tent, canopy, or air-supported structure is being placed:
