185 ft. (Langston Dr.)

Area: 18,500 sq. ft., or 0.42 acres

The property is currently occupied by a single-story, brick-veneer commercial building of approximately 1,335 sq. ft. and formerly operated as an insurance office. The owner intends to demolish the existing building for new commercial development subject to rezoning and site plan approval.

The submitted site plan indicates a new single-story building of approximately 1,400 sq. ft. Applicant proposes to use the facility as an automobile service center specializing in drive-thru oil changes.

Langston Drive is not a NCDOT maintained roadway. NCDOT has been advised of the proposed commercial development and have no additional requirements for the site.

Parking for automobile inspection, repair and service facilities requires one (1) space per working bay, plus one (1) per employee. A total of six (6) paved parking spaces have been shown with stacking to accommodate nine (9) automobiles for drive-thru service.

Exterior sidewalks are required for new development and are indicated along N. Berkeley Boulevard and Langston Drive. Interior sidewalks are shown leading to building entrances through sloped walkways and handicap ramps.

Chinese Elms will serve as required street trees along Berkeley Boulevard and Langston Drive. A required Type A, 10 ft. landscape buffer is shown along the western property line adjacent to commercial property and a required Type C, 20 ft. wide buffer is shown along the southern property line adjacent to residential property. Plantings will consist of Elms, Crepe Myrtles, Foster Hollies, Dwarf Yaupon Hollies, Loropetalums and False Cypress.

Exterior building materials will consist of EIFS (Exterior Insulation Finish Systems) or stucco, standing seam metal roofs, metal doors, copings and trim.

The Planning Commission, at their meeting held on September 28, 2020, recommended approval of the Site and Landscape Plan with the requested modification.

Zone: Office and Institutional (O&I-1)

**Area of Lot #2 proposed to be rezoned:** 4,389 sq. ft. or 0.101 acres

Parents should follow the rule "if in doubt - throw it out" where evidence of tampering with packaging or surfaces of consumable product exists.
- Citizens are encouraged to follow the NC Department of Health and Human Services "Interim Guidance for Halloween" dated September 25, 2020.

Councilmember Williams stated no comment.

Mayor Pro Tem Broadaway encouraged everyone to vote and to register for the census. Mayor Pro Tem Broadaway stated the County loss a real leader, Chairman Ray Mayo, we are going to miss him very much.

Councilmember Polack stated you never know when someone is paying attention. We went to school together and it was unexpected to hear some of the comments he stated tonight. It means a lot to get encouraging words instead of detrimental words. Between the two weeks of the meetings, sometimes I dread coming because of so much negativity. It is with all of us. It bothers me so much in my community. People will ask when are you going to do this. I just want harmony and the only way we are going to make things happen, is if we work together. School system, things are changing every day. A lot of people are scared for their health and safety. I just solicit prayers for all the councilmembers and the city manager. The only way we can progress moving forward is to work harmoniously. That is one thing I pray for.

Councilmember Matthews stated thank you everyone who came and spoke tonight with public comments. I just have a few things. I want to speak to my district directly, District 4. I hope that you are doing very well. I have truly enjoyed my time talking to some of you. It is my hope I can continue my reach as I continue to make my rounds through the district. And please know I am working really, really hard to figure out how we can come together safely as a district. I do want to remind everybody that early voting is to begin soon and I am organizing transportation for District 4 to and from the polls. So I encourage District 4 residents to follow my councilwoman page, it is just not for District 4 residents, at Councilwoman Brandi Matthews because I am going to update that page with my route. Feel free to let me know if you need a ride. I have masks for District 4 that say I am a proud resident of District 4, so for anyone who wants or needs a mask, please reach out to me and let me know. Let's make sure we take care of our elderly population so if you know someone who needs a mask, I would love to get one to them. I do want to thank the Kiwanis Club of Goldsboro and all their partners, they put their name in the hat for \$25,000 for a playground equipment contest for the park in south end. The top 10 applicants moved on to the next round, we were 14 out of 48. Thank you to those who voted. They are still wanting to help build up our park, there will be some fundraising. I am going to forego my comments to address Councilmember Ham and Mayor Allen at this time. The night that I was sworn in, there was something that I said that kind of stuck out in my mind as I prepared for the meeting today. I said I was ready, willing and able to work with each of you and I still am. I really do hope that we can pull this together and do the right thing. I hope that all of Goldsboro has a great night and encourage you all to vote.

Councilmember Ham stated no comment.

Councilmember Aycock expressed his condolences to the Mayo family. Ray was my contact and we spoke often. He will be hard to replace.

Mayor Allen stated Commissioner Mayo and I have been friends for years. He was a straight up, honest guy, he worked hard for the county and really cared about the county. He has a successful business with his son. Our prayers are with his family.

There being no further business, the meeting adjourned at 8:08 p.m.
