As Mayor of the City of Goldsboro, I would like to take a moment to welcome you to our City. We are as proud of our planes as we are our pork. We take great pride in our City and I am sure that you will receive a most hospitable welcome.

We are the home of Seymour Johnson Air Force Base and famous for the best barbeque in Eastern North Carolina. We are a destination with rich cultural and heritage roots, which captivates visitors and residents alike. Enjoy an afternoon paddling the Neuse, exploring our parks or enjoy a festival or outdoor concert. While you are here, take time to pause in awe as the F-15 E Strike Eagle jets soar across the sky. Goldsboro has built its future by celebrating its past.

The City of Goldsboro has many facilities which stand ready to serve you and to offer you fine dining, gracious accommodations, entertainment and recreation. Be sure to stop by the Paramount Theatre, the Goldsboro Municipal Golf Course and come see the ongoing revitalization of our Historic Downtown. For a complete list of interesting things to do and see while in beautiful Goldsboro, visit the City of Goldsboro at www.goldsboronc.gov and Wayne County Chamber of Commerce at www.waynecountychamber.com.

We are very grateful to every citizen who contributes daily to the successes of our community, and we hope you have the opportunity to experience as much of our city as possible. When you see a man or woman in uniform, please thank them for their sacrifices not only here at home, but abroad. Come and experience our unique legacy!

Sincerely,

Alfonzo King, Mayor
City of Goldsboro
